2,000,000 Acres of Choice Lands.

The Second Third is now all taken, and we have resolved to let the remaining Third go at the same price—\$2 per acre—although we could sell the balance at double that price if we chose to ask it. All the profits on these sales go to the Colony in public improvements, as agreed with the Government.

We have now ascertained that we shall probably want about sixteen millions of acres to meet the demands of the subscribers when the canvass is completed, which is but just commenced: limited, too, as subscribers are, to one section each. The balance, of course, whatever it may be, we shall have to obtain from the Government, at what rates is uncertain.

Therefore subscribe at once. 511 quarter sections have been taken to-day. About 1,000 families now stand ready TO GO as soon as we are ready.
