## TRADE NOTES

### A 10-YEAR ROOFING GUARANTEE Backed by a Surety Co. BOND.

In the advertising columns of this paper the United Roofing and Manufacturing Co. are offering to every purchaser of 3-ply Congo Roofing a National Surety Co guarantee bond, which covers a period of 10 years. This company is one of the largest surety companies in the world (capital and assets of about \$2,000,000), and when they back a proposition there must be a great deal in it, or they would not have risked their reputation on something about which there could be any question.

The Congo people are desirous of making this roofing the most used in the world, and with their usual foresight hit upon this excellent plan of giving the buyer satisfaction as well as increasing their sales. The bond is a plain statement of what they can and will do, and offers such protection that no prospective buyer can afford to overlook. This bond means protection to you.

It isn't necessary to buy the roofing to learn the contents of the bond—which is another pleasant feature. By writing to the Miller-Morse Hardware Co., Winnipeg, and E. G. Prior & Co., Ltd., Victoria, they will be glad to send you information regarding same and sample free.

## GOSSIP

From all appearances, the exhibition to be held at British Columbia's capital, Victoria, from the 22nd to the 26th, will be one of the most successful ever pulled off on the coast. The horse show each evening is to be the star attraction, and will be held in a new arena, built especially for the purposes of a horse show. Extra accommodation has been prepared for stock of all kinds, and breeders on the coast, in Oregon, Washington and the Northwest, have intimated their intentions of showing while many have made entries. Live-stock entries must all be in to the secretary by the 12th inst as a very swell catalogue is being prepared and some time will be required to complete it.

## Questions and Answers

An enquirer at Killarney asks about the mounted police, but failed to sign his name. No answer.

### CARPENTER RECOVERING WAGES

If a carpenter works for a contractor for so much per day on a building, and when the work is completed it is found that the contractor has got the price of the contract in advance and will not pay his men, how can the carpenter get his pay? Sask. X. Y. V. Z.

Ans.—The carpenter has several remedies:

1st. He may sue his employer in the ordinary manner.

2nd. He may register a lien against the property on which he performed the work, and take proceedings under it to realize the amount due to him, or

3rd. He may take proceedings against his employer under the Master and Servants Act before a magistrate or justice of the peace.

If the amount due is considerable, we would advise going to a good lawyer and have him take the procedure he thinks best. Otherwise, we would suggest laying a complaint before a justice of the peace.

## NOTICE

### ODD NUMBERED SECTIONS

As already publicly announced, odd-numbered sections remaining vacant and undisposed of will become available for homestead entry on the coming into force of the Dominion Lands Act on the 1st September next.

As the records of only the even-numbered sections have hitherto been kept in the books of the various land agencies in the Western Provinces, and the time having been very limited since the passing of the Act within which to transfer the records of all odd-numbered sections from the head office at Ottawa to the local offices, it is possible that the transfer of records in some cases may not have been absolutely completed by the 1st September. In any case, where the record of any quarter section has not been transferred, application will be accepted, but will have to be forwarded to head office to be dealt with.

As it has been found impossible as yet to furnish sub-agencies with copies of the records of odd-numbered sections, and in view of the large probable demand for entries, all applicants for entry upon odd-numbered sections are strongly advised to make their application in person at the office of the Dominion Lands Agent. Applications for even-numbered sections may be dealt with through the Sub-Land Agent as before, if desired.

J. W. GREENWAY,  
Commissioner of Dominion Lands.
