THE PRESS CLIPPING BUREAU

Sends every paper in Canada and also transmits all articles
of a general or personal nature of interest to subscribers in
the Dominion.

Notwithstanding the fact that the press is so saturated on any subject
of interest, it is often difficult to find the exact copy of any article
desired. This Bureau has a large staff of men who search the papers
for the exact copy desired, and send it to the subscriber. It is a
very valuable service, and is available to subscribers at a very
low price.

For every article of interest in the Dominion, the subscribers, club
members, or individuals, we guarantee to obtain and mail them, or return to them
