CANADIANS WILL FLOCK TO SEE
JOHN AND GEORGE FIGHT IT OUT

NEW YORK, May 11.—(By Canadian Press)—While world championship heavyweight bout failed to go to Montreal, sportsmen of that Canadian city apparently are going to make up for it by coming to New York. That the sporting world of Eastern Canada is intensely interested in the forthcoming championship struggle between Jack Dempsey and Georges Carpentier at Jersey City, July 2, has been proved by the number of applications for tickets received at Madison Square Gardens. A few days after the sale opened receipts from Montreal, Toronto and other Canadian cities totalled \$5,000 and those in charge of the advance sale predict that, judging from the inquiries received the amount will be increased well into five figures. Among a number of well-known Canadian sportsmen, who will come to Jersey City, is George Kennedy of Montreal. Other centres from which applications for seats have come are Toronto, Sherbrooke, and Hamilton. United States business men in Canada are taking precaution against missing the fight, and an application for a seat came from a New Yorker, who was at Calgary when the sale opened. The total daily average sale for seats during the first week was \$80,000 and if the average is maintained all reserved accommodation will be sold three weeks before the date set for the fight. The sum of \$900,000 will be realized if all reserved accommodation is sold. Due to the difference in exchange, Canadian sportsmen are paying a considerably greater amount for their tickets, than are U. S. fight enthusiasts. The rate has been fluctuating between 10 and 11 per cent, and as a result the best reserved seats, selling war tax included for \$50 will cost a Canadian in the neighborhood of \$55. Canadian money. Despite this the majority of reservations secured from across the border, have been for the best seats. Considerable confusion has resulted as a result of the exchange difference and in some cases delay has resulted in the securing of reservations. Tex Rickard, promoter of the contest, announced recently that he had received a cable to the effect that a party of ten sport-writers representing London and Paris dailies, will arrive in New York early in June, to keep an eye on the champions during the final training period. Rickard declares that he is also confident that the Prince of Wales will accept the invitation tendered him to be present at the scrap. The Prince, according to information which Rickard says he has received from Great Britain, is displaying great interest in the fight arrangements. That Montreal sportsmen are very much on the job, despite the setback they received in their plans to have the fight staged in the Canadian city, was indicated recently when Tex Rickard received a letter from the syndicate which had previously made a bid for the fight. Word to the effect that a limit might be placed on the price to be charged for the fight tickets in New Jersey, had at reached Montreal and the syndicate officials immediately wired, stating Coolidge will make the presentation that their offer is still open. Rickard is confident that no difficulty will arise over the price to be charged for admission, and that arrangements will remain as they are at present. Love fills unoccupied hearts and rattles unoccupied heads.

JOINT PRACTICE TONIGHT;
HEAVY ROLLER PACKS DIAMOND

They tried out a heavy street roller on the Baseball Diamond last night and the 8-ton weight packed down Mother Earth in great style. The grounds are not quite in playing shape yet, however, but the ball club has decided to "do the best it can."

ST. MIKES ARE SHOWING CLASS
AS CAME WITH DELORO DRAWS NEAR

Last evening at the fair grounds good Mitter. Barrett also has hopes of strengthening his outfield by getting Parker, who also played with the Trunks last year. Platt, the new catcher, was out and looks to be a second Mills. He is fast and has a fine whip to second. He also stands up to the plate in a manner that promises many hits for the St. Michaels this season. Bill Myles was strengthened both on the defence and offence. Also Stan Hagerman, who played with the Grand Trunks last year turned out with them last night. If Manager Barrett can get around, George Clapper and Pat Hagerman to affix his John Hancock to a certificate he will be able to quit worrying about his infield. Wednesday night is the next practice game. Hagerman is a fast fielder and a tico game.

TENNIS CLUB ORGANIZED:
WILL PLAY AT ARMOURIES

Following its organization meeting last evening the Belleville Tennis Club had a committee at work today on the initial stages of laying out the grounds. These will be the space east of the main Armories and south of the 34th Battery Armories, and the space north of the Armories and east of the driveway. It is expected, however, that the smaller space south of the 34th Battery Armories will be first in play as it is today in fair shape and only needs rolling to make it playable. There was an enthusiastic gathering of young people at the Chamber of Commerce last night. As a result the prospects for the season's play are distinctly bright. They will stay that way as long as the members are willing to work hard for the new club. The Army Light Infantry officers are giving their support to the club, as forecast in The Ontario and this will mean a good deal in several ways. The elections resulted as follows: Hon. President—The Rev. D. C. Ramsay, President of the Belleville Amateur Athletic Association, the Tennis Club being one of the units of that organization. President—Mr. G. H. W. Field. Vice-Pres.—Miss Ruth Sinclair. Secretary—Miss Springer. Treasurer—J. A. Jamieson. Grounds Committee—Mr. A. A. Ad-fleck, Mr. R. Morden, Mr. Edwin Newsome, Mr. G. Vermilyea. Social Committee—Miss Bogart, Mrs. Doyle, Miss McCuag, Miss K. Thompson. Membership Committee—Mr. W. H. Finkle, Mr. J. O'Flynn, Mr. Granville Sinclair. The question of fees was left over. It was apparently the consensus that a low fee—one within the reach of everyone wishing to play—was the proper idea. An "Opening Day" one that does not clash with other forthcoming events, will be chosen by the executive.

Gold Medal For Mme. Curie. NEW YORK, May 11.—The gold medal of the National Institute of Social Science will be conferred on the effect that a limit might be placed on the price to be charged for the fight tickets in New Jersey, had at reached Montreal and the syndicate officials immediately wired, stating Coolidge will make the presentation that their offer is still open. Rickard is confident that no difficulty will arise over the price to be charged for admission, and that arrangements will remain as they are at present. Love fills unoccupied hearts and rattles unoccupied heads.

SOLDIER-MUSICIAN
NOW IN COMEDY FIELD

NEW YORK, May 11.—(By Canadian Press)—Gitz Race, the Canadian song writer, whose "Dear Old Pal O' Mine" and other war songs written when he was a Lieutenant with the Canadian army in France, brought him wide fame, has entered the field of musical comedy. With William B. C. Hillman, he is joint author, composer and librettist of "Princess Virtue" which opened recently at the Central Theatre here. The Montreal composer's initial effort has attracted large audiences to the Central nightly, since the opening performance and it appears to have registered a hit with the public even though the critics directed a heavy fire of adverse criticism at the piece.

"Princess Virtue" follows conventional musical comedy lines. Its plot, which is slight, deals with the adventures of an American girl in Paris, a young lady who takes Paris very frivolously but managers to keep her skirts clear. She is sought for her money, of which she has the usual musical comedy millions, by a French tango dancer and an Austrian Baron, and is rescued from her too ardent admirers by the customary musical comedy hero whom she meets in the casual musical comedy way. The leading role is in the hands of a very capable actress, Tessa Kosta, who has a pleasing voice which she uses to advantage in several very excellent numbers.

NEW BRUNSWICK VOTE
ON LIQUOR NEXT FALL

ST. John, N. B., May 11.—(By Canadian Press)—There is no indication as yet as to when the Province of New Brunswick may expect a referendum vote on the question of the importation of liquor. The resolution requesting the Federal authorities to set a date for such a vote, passed the Legislature without a dissenting voice. There were only two speeches made in connection with the matter. It is thought, however that there will be no poll until the fall. Premier W. E. Foster will be in England most of the summer, and residents of the Province are not anxious to vote during the vacation months when the poll would not be representative as it might at any other time. The plebiscite may be held in October. At any rate it is not thought likely that it will be held before that time.
