KLONDIKE NUGGET.

AMUSEMENTS.

Auditorium—"Under Sealed Orders." Standard—"The Governor's Wife."

A PLAIN DUTY.

Those former supporters of the opposition who find themselves unable to submit to Clarke's dictation should have no hesitation in declaring themselves in favor of Mr. Ross. The latter is the candidate of the whole people, his support coming from all classes of voters.

They know Clarke and his methods better than the majority of people and do not hesitate to express the opinion that his success would be nothing short of a calamity.

In declining to give Clarke open support they have exhibited a proper spirit of loyalty to the community, but in the interests of good citizenship, we submit that they should go a step farther and declare themselves for Mr. Ross.

As good citizens and men who want to see the thing done which will best promote the community's good, they find that they cannot give assistance of any nature to the candidacy of Clarke.

THE OTHER SIDE: The adverse report of Geo. H. Hees, published throughout Canada after a short visit made by that gentleman to this city, has not prov-

en an altogether unmix'd evil. Succeeding the bad picture drawn of the Klondike by Mr. Hees there has come a flood of evidence from a multitude of sources in direct contradiction of the view taken by him.

Never in the history of politics has a candidate been so generally repudiated by the leaders of his own movement as is the case with Clarke. Through one process or another Joe has succeeded in alienating every man who for the past three years has been identified prominently in the opposition ranks.

The mimic warfare still in progress between the Star and News is simply nauseating. It is now a matter of public knowledge that both papers are owned by Roediger but still the farce continues.

Clarke might just as well remain away from Whitehorse. The insult gratuitously extended by him to the people of that district at the convention of August 23 has not been forgotten, nor will it be overlooked on December 2nd.

The shipments over the White Pass for the present season will far exceed those of last year both in volume and value.

Blows Out His Brains: San Francisco, Sept. 18.—"Bang!" That was Corporal Frank McMahon's response yesterday morning when his name was called at the roll call of Company G, 19th regiment, at the Presidio.

White roll was being called he stood quietly among his comrades, with his rifle at his side.

Barbary Coast is responsible for McMahon's rash act, according to his fellow-soldiers. He finished his term during the early part of last week and spent the finals, amounting to several hundred dollars, in riotous living.

When his money was gone he re-enlisted, and since then was a prey to despondent attacks that are probably responsible for his gruesome suicide.

HIS LIFE

ON TRIAL

Fournier Case Begins on Monday

In Four Years Four Murderers Have Paid the Extreme Penalty of the Law.

On Monday next there will be begun a criminal trial in the territorial court before Mr. Justice Macaulay which in point of general interest will be second only to the famous O'Brien trial of a year and a half ago.

Peter Fournier, charged with the murder of Leon Bouthillier, Guy Beaudoin and Alphonse Constant, will be tried by a jury of his peers for a crime that for monstrous brutality has never been equalled in the history of the Yukon territory.

The Prospector left at daylight this morning for Duncan and all points on the Stewart river, with 67 passengers and 100 tons of miners' supplies.

This is probably the last heavy shipment of freight for this season, but if the weather and stage of water permit another trip will be made with passengers and a light load of freight about a week hence.
