Hand made Harness—Why Better

Hand-made harness is better than factory-made because every piece is produced by a competent mechanic under the direct supervision of his employer, and because every part where extra strength is required is hand-sewed and properly reinforced. The leather, too, is cut from carefully selected hides.

All our harness is hand made. Just now we are offering a special discount on all winter horse goods.

Premier Whitney is losing no time in calling on the bye-elections. The nominations will take place on the 21st of this month, and the elections (if any) one week later. It is expected all the ministers will be re-elected by acclamation.

On Tuesday the marriage took place at the home of the bride, Junetown, of Mr. W. Sheffield and Miss Lena Warren. They will reside on the Wolf farm, Algire's Corners, which the groom recently purchased. The Reporter offers congratulations and best wishes.

Mr. D. E. Chant is the sole proprietor of the "Athens Livery," and has not, as has been generally understood, a partner in the business. The card of his livery appears in the Reporter. He has been adding to the already fine equipment of the stable, and has now a first class livery in every respect.

The Rev. R. C. Horner, assisted by the preachers, and a number of their people from the following appointments: Matilda, Newboro, Athens, Chesterville, Fordland, Lombardy, Algonquin, Carleton Place, Boyd's Settlement, Maberly and Richmond, will conduct a revival in the basement of the Holiness Movement Chapel, Smith's Falls, commencing on Friday Feb. 17th, continuing till Sunday Feb. 26th.

Recorder: The services in the First Presbyterian church on Sunday last were conducted by Rev. Mr. Beckstedt, of Athens. Mr. Beckstedt is a young man of much ability and his excellent discourses were much appreciated. His morning theme was "The Christian Race," and in the evening "The Clay in the Potter's Hands."

In many business centres, small and large, throughout the country there is now in progress an agitation in favor of merchants taking a half holiday on Wednesday during the summer months instead of having early closing for a part or the whole of the year. The proposal appears to meet with the favor of the purchasing public as well as of business men.

The opening up of the country roads is a matter that should receive attention, but the difficulty occurs at a time when the newly appointed pathmasters have not yet received their road-lists for the year, so in some cases action is not taken for that reason. Farmers would gladly do a portion of their statute labor just now if given an opportunity.

In the Methodist church, on Sunday morning next, Rev. Mr. Bennett will preach and present the claims of the British and Foreign Bible Society. The Society is worthy of support because it provides all Foreign Missions with Scriptures in the languages which they need, and because it does this practically without cost to the Missions themselves; because its editions penetrate into countries where no mission can enter; because it forms the chief bond which unites Christians of many communions and countries in the sacred task.

THE CANADIAN POULTRY REVIEW,

The January and February issues each contain 56 large pages of solid matter and illustrations, and this without any advance in price, which is but 50c a year. Readers of this paper can get it for three years for \$1.00. A sample will be sent free for the asking if the Athens Reporter is mentioned in request.

The trustee board of the model school held their regular monthly meeting on Monday evening, at which all the members were present. Mr. Stephen King presented a petition to the board, asking that pupils be not obliged to purchase the educational paper, "The School and Home." The chairman explained that the value of this little paper as an aid to both teacher and pupil was generally recognized, but that the taking of it was not compulsory. A number of small accounts were passed and the property committee were instructed to purchase such books as the course of supplementary reading by entrance pupils renders absolutely necessary.

On Sunday last, Elva, daughter of Mr. and Mrs. William Boyd, Oak Leaf, died after a short illness, aged 18 years. She was recovering from the measles, but was taken seriously ill on the Tuesday preceding her death. The funeral service, which was largely attended, was conducted on Wednesday in Trinity Church, Lansdowne, by the rector, Rev. R. B. Paterson, M.A., and the remains were placed in the Athens vault. Her departure leaves a very sad household, and to the bereaved family the Reporter joins with their wide circle of friends in extending heartfelt condolences.
