THE Canada Business College

CHATHAM, ONT.

CANADA'S GREATEST SCHOOL OF BUSINESS AND SHORTHAND

Public School Teachers Should Notice

This institution has prepared over seventy teachers for other Business Colleges and Commercial Schools in Canada and the United States; more than twice as many as all other Business Colleges in Canada combined, have so placed.

The proprietors of five of the leading Business Colleges in Western Ontario, who are to day among our strongest opponents in the field of Business and Shorthand training, received their training under the Principal of this institution. Besides this, there are five other holding leading positions as principals of this institution. In Business Colleges in Canada and the United States; another is now negotiating for a similar opening in a Business College in a leading American city and there are still five untried calls of this kind on hand.

DOES IT NOT PAY TO ATTEND THE BEST? You must decide. 23 of pupils secured good positions in seventeen months and the great work of placing students still continues. For catalogue of either department address.
