IMPROVEMENT. - The Fredericton board of trade have decided to petition the dominion government for permanent improvement of the river channel between this city and Oromocto so as to allow unimpeded navigation for vessels drawing twelve feet of water.

KILLED .- Geo. L. Edgett, school teacher at Humphrey's Mills, while walking on the track near Moncton, was struck by a train and instantly killed. He was a member of the Masons, Oddfellows and Foresters societies, and had a life insurance in the two latter.

DOGS POISONED .- Some of the residents of the upper end of Charlotte street, are mourning the lose of some of their canine domestics. Some evil disposed person has had the tenerity to administer an overdose of poison. Strenuous efforts are being made to discover the culprit.

STILL BOOMING .- The Marysville cotton mill is now running alternate nights in addition to the day work. New machines, consisting of four ply frames six English carders, and one picker are to be put in, in Fisher appealed, with the effect recorded addition to the two new nappers imported from France the other day.

BAZAR.-The inhabitants of the celestial are promised a treat. The Knights of covenants to pay all taxes. Pythias intend to have the new building of Howard & Crangle in which to hold a bazar. They will have the whole building from top to bottom occupied and decorated. A pleasant affair is expected.

TO RESIDE IN FREDERICTON. - It is reported around town that the hon. P. G. Ryan, late chief commissioner of the board of works has purchased the house at present owned and occupied by Judge Fraser. It is believed that Mr. Ryan intends to make Fredericton his permanent home.

IN THE MASONIC HALL .- The drive and dance by the University boys was a very pleasant affair. After the drive around the town in the Collossus, they repaired to the masonic hall. Mrs. Hatt and others were there to do the honors. Refreshments were passed around and the dancing kept up till the wee sma' hours. the present weather does not remind one of out door sports, yet the students of the college have their annual sports and field day in their minds, and are taking time by the forlelock. Practice in the gymnasium is the program every afternoon. The students wisely realize that much practice will be needed to keep up the fame of the U. N. B. in athletics

FIRE AT SUSSEX .- The inhabitants of Sussex are mourning the loss of their happy some two storey grammar school house. The fire occurred during school hours, but all the children were gotten out without accident and much of the school property was said. The fire caught in a defective flue. All efforts of the town people were unavailing. The building which was utterly destroyed was erected in 1875 at a cost of \$8.000 and was insured for \$5.000.

HONOBED.- Prof. C. G. Roberts, of King's college, Windsor, has been selected as one of the literary examiners at the world's fair, Chicago. The degree of distinction in this selection can be realized when it is considered that there are only twelve examiners. Prof. Roberts is the only one selected from Canada he hon. Mr. Gladstone is among the others selected. Prof. Roberts is a son of Rector Robers, of this city and a graduate of the U. N. B.
