Montreal, April 13.  
Hon. J. R. Bennett,  
Acting Premier of Newfoundland:  
Dear Sir,—We have read with much sorrow of the terrible disaster which has recently occurred to the sealing fleet of your Island. We have also heard that subscriptions are being taken for the relief of the families of the unfortunate sealers, and we hasten to send you our contribution represented by the enclosed cheque for \$50. We have no direct interests in the matter, but feelings of humanity prompt us to do what we can to relieve the sufferings of the unfortunate families who have been bereaved. We would like to do more, but believe us when we say that the calls upon us from all parts of Canada are so numerous that we cannot do much more than express our sorrow and sympathy in a manner which may seem inadequate.  
We trust our small contribution may help some, and are,
