may10.11

Knock Down Motor Engines.
4 H.P., \$110.00; 8 H.P., 2 CYLINDER,
\$175.00.
A new idea in Motors.
We have secured the agency for
the celebrated "Knock Down Motor
Engines." Each part of these engines
is made so perfect that it is not ne-
cessary to assemble and test the en-
gine before shipment. You save the
cost of all that work by doing the
work yourself.
All parts of the engine are care-
fully packed and shipped just as they
come from the automatic machines at
the factory—not even painted—full
directions for assembling, including
a picture with number and name of
each part, are sent you. The Com-
pany guarantees that every part will
fit perfectly, and that any man who
can read English and use a wrench
can set them up.
These engines are guaranteed ex-
actly the same as common engines
that have been fitted and tested at
the factory and sold at double the
price. Why not save a month's wages
by setting up your own engine.
These engines are 2 cycle. Price
guaranteed to May 15. Terms: half
cash with order, balance on arrival.
On rush orders, can wire order and
have engine sent by express. Pur-
chaser to pay difference in charges.
