ONE LARGE DWELLING HOUSE

situate in a most convenient city location. It is a two tenement house, having three storeys and basement kitchen, or can be made suitable for one large family. It has concrete walls, is fitted with water and sewerage and was practically rebuilt six years ago. It is leasehold property with low annual ground rent.

Inquiries invited and inspection by appointment. Details, price and terms from

A Big Plate of Home Made ICE CREAM.

This Freezer is small, but it will make two quarts of Ice Cream, enough for quite a large family. It weighs only 2 1/2 lbs., and may be kept on the pantry shelf. It saves ice, for it requires about half as much as a freezer with a wooden tub. It can be placed in an ordinary refrigerator after the cream is frozen.

This saves ice and time and labor in packing.

Two Quart Sizes, \$2.00 each.
