Hon. N. C. Wallace, M.P., stated that Hon. N. C. Wallace, M.P., stated that Roman Catholics took advantage of the High and Collegiate schools, then why could they not do so with the lower.

The young medical student, W. H. finest sealskin. She has a pretty foot,

control their own local affairs under our Federal compact, and in view of the very sweeping interpretation of these powers by the allowance of the Jesuits Estates Act, for which the Province of Oushes to pulse the province of the province of the Duchess of York The IDOL Quebec is primarily responsible, we must look with surprise and alarm upon any agitation in that province with the intent to interfere with the right of any

Manitoba Upheld. Be it resolved also that we approve and support the act of the Legislature of Manitoba in adopting a Motion for Abolition of Dual Language

Abolition of Dual Language at 9 this morning.

The Grand Lodge, it may be stated, Wilson, C. M. Brant, and resolved that The Grand Lodge, it may be stated, has unanimously, and with no uncertain sound declared against any interference with Manitoba in adjusting her own affairs, and has also declared in favor of securing some alteration or addition to the act of Confederation as will abolish sectariani schools, all over Canada evidently with the ultimate object of securing a purely national system entirely free from the teachings of any dogmas, schisms, tenets, creeds or sects. Also that the English language must and shall be the sole and only official language of this Dominion.

The Committee on Correspondence, to which the Grand Master's address was lighted.

this Dominion.

The Committee on Correspondence, to which the Grand Master's address was referred, is composed of Messrs. J. H. Scott, Kincardine, chairman; R. H. Holmes, Toronto; William Griffiths, Hamilton; John Hogg, Collingwood, and H. Lemox, Barrie. The majority report on the address was interesting and lengthy and occupied the forenoon and most of the afternoon session. It acknowledged the afternoon session. It acknowledged the afternoon session it acknowledged the alternoon session it acknowledged the alternoon session. It acknowledged the alternoon session it acknowledged the alternoon session it acknowledged the alternoon session. It acknowledged the alternoon session in the address and the liberal spirit evinced there in the address and the liberal spirit evinced there in the address referring to the Manitoba schools.

The Majority Report on the Manitoba schools with that portion of the address referring to the Manitoba school spirit with the method proposed as a settle wille as individual members the association might, and no doubt would, agree with the method proposed as a settle ment of that question, yet as a matter of manitornal section of officers, which took might allow the method proposed as a settle ment of that question, yet as a matter of place at the groung session, resulted as of the spirity she is but an in-thereto, of the grand tentred by act of Particular church by Act of the grand tentry of the spiring force. For years the Prince and princes of Wales have stood for the crown in all matters of social important and the short will make it unconstitutional for this Dominion or any of the adtention of the England.
