MENNEN'S

It's Our Biggest Year!

CONSTRUCTION work, the world over, has been greatly hampered by scarcity of material. Especially is this true of material for telephone construction.

And yet in spite of this world-wide shortage of supplies and, until a few months ago, of skilled labor, we have accomplished more so far this year than in any equal period of our history.

Installers have handled more than 120,000 telephones—77,000 put in and 43,000 taken out.

Two thousand miles of new long distance circuit have been put up.

Nearly 500 miles of circuit to serve farming communities have been built, requiring 160 miles of pole line.

New buildings have been erected, new conduits laid, repairs, replacements and general upkeep of a vast system attended to.

We are behind our orders in some places, we know. But with the facilities available we have never worked harder to meet the full demand.

And with this never-ending process of extending, making over, replacing, repairing, we are doing our utmost to raise your service to the highest point of efficiency and usefulness.

The more you know about the telephone the better it will serve you

St. Thomas To Meet Sarnia

Defeats Woodstock and Qualifies to Take on Sarnia Collegiate

O. R. F. U. INTERSCHOLASTIC SERIES.

WOODSTOCK, Oct. 21.—St. Thomas Collegiate eliminated the local college rugby team from the O. R. F. U. interscholastic series here yesterday, when they defeated them by a score of 7 to 0 in a hard-fought game.

In the first quarter a rouge and a touchdown on a 25-yard run by Moody netted the visitors six points. In the second half another rouge gave them the total of seven. The locals were backed, although they came about as close to making a touch as is possible. Mitchell pulled off a 65-yard run in the first quarter, but was brought down a foot from the line. The strength of the St. Thomas defense was here demonstrated as the locals failed to get the ball over. St. Thomas now meets the Sarnia Collegiate team in the finals for the district title. The line-up:

St. Thomas: Woodstock: Portt, C. Scrim. Adams, C. Scrim. L. Scrim. Rutherford, Scrim. Shaw, Middle. Swartzman, Middle. Lewis, Middle. Jackson, Middle. Stevenson, Inside. Demman, Dandy. Inside. Broadway, Outside. Scott, Outside. Galloway, Outside. Avery, Flying wing. Mitchell, Quarter. Johnston, Center half. Armstrong, Left half. Beards, Right half. Referee, Woodcock, Woodstock. Umpire, Murray, St. Thomas.

WOODSTOCK TAKES GAME FROM LONDON

WOODSTOCK, Oct. 31.—In an exhibition game here last night, Woodstock College second team defeated London Collegiate firsts by a score of 19 to 6. The first half ended with the score 3 to 0 for the locals. In the second half a converted try and another rouge gave the locals the remainder of their points, while the visitors obtained no more. The locals had a slight edge, their offensive tactics being somewhat superior to the visitors. The teams:

Woodstock: London: Vickers, C. Scrim. O'Rourke, C. Scrim. Fitzgerald, L. Scrim. Williams, L. Scrim. Barber, Middle. Smith, Middle. McDermott, Inside. Murphy, Inside. Hughes, Inside. Buck, Elge. All-Star Team Lost To Public Utilities 4-1

Last Soccer Game of Season Is Played At Carling Heights On Saturday.

Public Utilities soccer team, winners of the McCutcheon trophy and the city championship, defeated an all-star team by the score of 4 to 1 in an exhibition fixture played at Carling Heights on Saturday afternoon. This was the last soccer game of the season for London.

Harber and Armstrong, of the Princess Pats team, were the only two missing from the original all-star team. These men were relieved by Day and Alday. Dickson, center forward of the Public Utilities, was the only man missing from the champion's team. He was injured in the final contest and has been unable to participate in further games. Only half filled this vacancy.

A fair size crowd turned out to see the exhibition of soccer. The Utilities forced the all-star team to play a defensive game in the first period. Eddie Turner scored the first and second goals for the Utilities and 30 minutes after play Charlie Lowrie, of the all-stars, took Alf Whitworth by surprise and registered the only goal of the contest for his side.

At half time the score was 2 to 1 in favor of the Utilities.

The second half produced better playing on the part of the all-stars. The stars made many attempts to break through, but the Utilities' defense line was too strong.

Walter Hunt and Charles Dennis played a great game, while Whitworth made several nice plays in goal. The Utilities scored two more in the last half. Eddie Turner getting the third and Jimmy Green scoring the fourth.

Charles Tagg, president of the City League, who is recovering from illness, was present at the game along with the league secretary and Matt Morgan and Mr. Marshall, members of the executive committee.

Public Utilities: Goal, Alf. Whitworth; backs: Walter Hunt and Charles Dennis; halves: Ince, Smith and Short; forwards: Whitworth, Turner, Bell, Green and Dick Leigh.

All-Stars: Goal-Adamson; backs: Wilson and Perkins; halves: Astell, Marshall and Oliver; forwards: Wednesday, Stockley, Day, Alday and Ball. Referee: Bruce Hackling. Linesmen: Strick and Pardon.

OTTAWA HAS HOPES OF BEATING ARGONAUTS

OTTAWA, Nov. 1.—Flushed with their victory over the Montreal team on Saturday, the Ottawa players and executives have now high hopes of tying up the series by defeating Argos in Toronto this week and eventually winning the honor of the "Big Four."

The team as a whole showed the best form of the season against the Windy wheelers, the back division showing more on the offensive and the defensive than at any time this year.

All year the men behind the line of the Senators have been the weak point, costly fumbles losing them one of their games. In the Ottawa series, however, Joe Tubman, the Ottawa forward, has proved in every game of the year that they have the edge over their opponents. Hard practice will be in order all week.

WOODS OFFERED BIG BASEBALL POSITION

NEW YORK, Nov. 1.—Reports that Col. Arthur Woods, former police commissioner of New York City, has been offered the position as head of the re-organized national commission to control baseball, were current in sporting circles here to-day.

It was understood that Col. Jacob Ruppert, part owner of the New York Americans, had made the offer on behalf of the National League, clubs and the New York, Chicago and Boston American League clubs, which recently advocated the control of the game by a commission of men not interested financially. Col. Woods is now head of a bureau investigating illegal voters.

DR. KNIGHT IMPROVES.

TORONTO, Nov. 1.—Dr. Frank Knight, of the Argos, who was injured in Saturday's game at Hamilton, was reported to-day to be much improved.

He had a good night's rest, and the attending physician expects that he will be all right again in the course of a week. Dr. Knight suffered a concussion following a collision with another Argos player during the course of the game.

TIGERS DEFEATED.

CALGARY, Nov. 1.—The Eskimos defeated the Tigers 18 to 8 on Saturday.

The Tigers were confident and were taking no chances of having players injured for the game they have to play at Regina next Saturday in the semifinals of the Western Canada Rugby championship.

Western "U" To Play Varsity Here Saturday

May Be Deciding Factor In Collegiate Rugby Series

As a result of Varsity seconds giving St. Michael's College such a bad beating on Saturday, the three teams of the league, St. Michael's, St. Michael's, the Intermediate series, St. Michael's Varsity and Western "U," are now the much brighter for the local rugby team, which has defeated the Varsity, but failed to win from St. Michael's.

London rugby fans will have an opportunity to see an exciting game of rugby at Tecumseh Park on Saturday of this week, when the locals will meet the Toronto Varsity II, which may be the deciding feature. The Western "U" boys were successful in defeating the Toronto team on their own field by the score of 8 to 6, and with several days' practice should be able to give the visitors a hard tussle here on Saturday.

the visitors a hard tussle here on Saturday.

Much will also depend upon the result of the game between the Varsity and St. Michael's on Wednesday afternoon. This will be the third game for the Varsity within the last few days.

REGINA WINS TITLE.

REGINA, Nov. 1.—Regina won the rugby championship of Saskatchewan on Saturday from the Saskatoon four-

Our Portrait is of Mr. WILLIAM HARBORNE, of 8 Railway Road, Ferry Barr, Birmingham, England, who writes—

"About two years ago I met with rather a bad accident. My arm was cut severely, and I had to have it stitched at the Hospital. This caused me six weeks' absence from work, and after resuming my duties for one week I broke out all over my body with huge Boils. Again I went to the Hospital, and was treated for Blood Poisoning; this happened on three successive occasions, until I began to think I should never be cured. Then I gave Clarke's Blood Mixture a trial, and the first bottle or two seemed to be driving out the poison, so I persevered, and after taking ten bottles I was cured. It is now over twelve months since I left off taking your Clarke's Blood Mixture, and I have seen no signs of any further blood disorder."

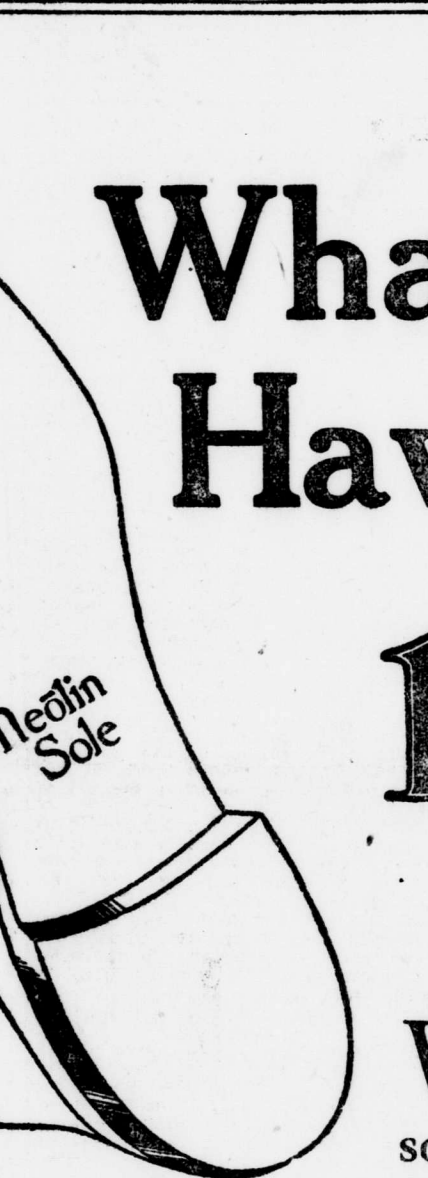

Sufferers From Bad Legs, Rheumatism, Gout, Swellings, Piles, etc., should realize that lotions and ointments can but give temporary relief—to be sure a complete and lasting benefit, the blood must be thoroughly cleansed of the impure waste matter the true cause of such troubles. Clarke's Blood Mixture quickly attacks, overcomes, and expels the impurities, that is why so many remarkable recoveries stand to its credit. Pleasant to take, and free from injurious ingredients.

What Other People Have Learned About Neolin Soles

WHEN we offered Neolin Soles to the public, in 1915, we knew they had a combination of qualities which soles had never before possessed.

Very long wear—bringing economy.

Sure-footed and flexible—bringing comfort.

Waterproof—bringing health.

For five years men, women and children in all parts of Canada have been proving these Neolin Sole qualities for themselves. They've been enjoying a new foot-comfort and a new freedom from damp feet. And they've been saving money.

They've been proving with their own pocket-books what we have told you of Canada as a whole:

If every Canadian wore Neolin Soles for one year, the saving over other soles would pay for a broad concrete highway from Montreal to Toronto, even at to-day's high cost of construction.

We offer these letters as evidence. The same experience can be yours.

Buy your next shoes on Neolin Soles. Your shoe store has many styles of Neolin-soled shoes for men, women and children.

Twenty-one months ago I purchased a pair of boots with Neolin Soles. I have been wearing these boots every day since. The soles do not show signs of wear.

I do a lot of walking and must say Neolin is like a cushion. I have had such good satisfaction from Neolin Soles that every pair of boots I buy will have Neolin Soles. They certainly cut down the high cost of boots.

F. J. McConnell, Edmonton, Alta.

This is to express to you the satisfaction that we have had from Neolin Soled boots. Since Neolin came on the market we have sold thousands of pairs and our customers have received the high standard of service which has always been our aim to give the public since we have been in business.

R. W. Caubney, Modern Shoe Co., Victoria, B.C.

After having made use of many kinds of soles, I find to-day that your Neolin Soles give the best wear and are the most easily worked.

Since I have made use of your Neolin and your Goodyear Heels, I have used no other kind.

I am convinced that all who will give a trial to your Neolin Soles, will always ask their shoemaker for them, because they give longer wear than leather.

Ernest L'Etoile, Drummondville, Que.

I have been wearing Neolin Soles for about three years now with the greatest satisfaction. The flexible, comfortable non-slipping and long wearing qualities of these soles (which outlast the uppers) make an ideal footwear for a City traveller, and I insist on getting them all the time.

Harry M. Thornton, 85 Westminster Ave., Toronto.

I have been wearing Neolin Soles for the last four years with the greatest satisfaction. It would be very hard for me to get along now without Neolin or to use a leather sole of any kind.

I can recommend your Neolin Soles to any person, but especially to those who are on their feet a lot or those who do any great amount of walking and desire a good wearing sole.

C. A. Hewitt, St. John, N.B.

It may be of interest to you to know the service your Neolin Soles have given me. On a pair of medium priced shoes I used a pair of your Neolin Soles for nearly 18 months without any repairing. Ordinary leather soles have lasted me about four or five months.
