**LUCKHAM—DARLING**

"Komfy-Kot" Cottage, Port Elgin Beach, was the scene of a very pretty wedding on Sept. 12th, when Lulu Mae, youngest daughter of Mrs. Darling and the late John A. Darling of Port Elgin, was united in marriage to Mr. J. Scott Luckham, son of Mr. and Mrs. W. H. Luckham, Watford, Ont. The ceremony, which took place beneath an arch of evergreen and white asters, was conducted by Rev. F. G. Farill, pastor of the Methodist church, in the presence of the immediate families. The bride, who was

given away by her brother, Mr. Lloyd L. Darling, of Detroit, looked charming in a gown of silver grey Elizabeth crepe, beaded in coral, with hat and shoes to match, and carried a shower bouquet of sweet-heart roses and lilies of the valley. After the ceremony a buffet luncheon was served, and the happy couple left for Detroit, from which port they will embark on the Noronic for a trip through the Great Lakes, the bride travelling in a suit of sand Poiret twill, trimmed with brown, fox fur, and hat and shoes to correspond. On their return Mr. and Mrs. Luckham will reside in Port Elgin.

### Life Insurance Ends Old-Age Fear and Worry

**N**EARLY every man invariably thinks of the time when, because of "Old Age," he must "Slow Up," or step down and let the younger man take his place, and the longer he toils and the older he becomes, the more he wonders how he is to be taken care of when that particular time arrives.

Will it be necessary for him to depend upon relatives for a meager existence or will he be compelled to seek admission into some institution that makes it a business of caring for superannuated business men? This all important question is readily and positively answered by

**LIFE INSURANCE**

A long term ENDOWMENT Policy, by using the dividend to purchase paid-up additions, will provide a competency for old age.

Canadian Government figures recently compiled show that out of 107,109 persons who died in one year, 100,031 left estates of less than \$10,000. The vast MAJORITY left NOTHING.

This fact, that 93% of persons at death leave practically nothing makes clear the necessity for LIFE INSURANCE.

### MRS. BUDGE SO WEAK COULD HARDLY STAND

**Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health**

River Desert, Que.—"I used to have a severe pain in my side. I would be unable to walk fast and could not stand for any length of time to do my ironing or washing, but I would have to lie down to get relief from the pain. I had this for about two years, then a friend told me to try Lydia E. Pinkham's Vegetable Compound as she had had good results. I certainly got good results from it, too, as the last time I had a sore side was last May and I have not had it since. I am also glad of having good nursing for my baby, and I think it is your medicine that helped me in this way."—Mrs. L. V. BUDGE, River Desert, Quebec.

If you are suffering from the tortures of a displacement, irregularities, backache, headaches, nervousness, or a pain in the side, you should lose no time in trying Lydia E. Pinkham's Vegetable Compound.
