

GENEALOGICAL RECORD

OF THE

MILLS FAMILY

AUTHOR'S NOTE

The object of this little book is to bring together, in printed form, much information which, if not preserved in this way, might otherwise in time be lost.

The dates given, and other information contained in this record are authentic and as nearly correct and complete as I could gather them, at the same time it is quite possible there may be errors and omissions which are more or less important and interesting. If any member of the family knows of such, I shall be glad to receive the same.

The record is complete to the present generation, that is, to the grandchildren of James Mills and Christina Hesse. It is left to members of that generation to continue the record of their own branch of the family, and I would certainly advise this being done.

STANLEY MILLS.
