

BAGSTER'S COMPREHENSIVE TEACHER'S BIBLE

With New Helps, New Concordance, Indexed Atlas,
and a Complete Bagster Bible.

Opinions from Canada's Eminent Scholars and Christian Workers.

"For Biblical and Eccegetical Theology, for our knowledge of the Canon, for Historical Literature of Information, for a knowledge of the Geography and Topography of the land of Palestine, for fulness of Archaeological Statements, for their and many other kindred subjects condensed into the most compact form, enriched with glosses and a concordance, it has no rival with which I am acquainted."

"The paper, printing and binding is marked by great faith and elegance. I could not commend to any teacher... young minister a more complete repository of Biblical learning than is to be found in this recent edition of the *Bagster's Comprehensive Bible*."

"We commend it heartily to all who love 'The Book,' and desire its guidance to a better life."

GEO. DOUGLAS, B.A., LL.D.,

Principal Wesleyan Theological College, Montreal

"After a careful examination and comparison, I can readily say it is the best yet offered."

W. J. SMITH, D.D.,

President Victoria University

"The 'Bible' appended to it constitutes an admirable introduction to the Bible, and if judiciously used, the best possible commentary on it. The wide circulation of such books is one of the most hopeful features of our time, and cannot fail to be an important factor in extending and aiding the study of the Word of God."

GEO. J. WILLIAM DAWSON,

Principal and Vice-Chancellor McGill University, Montreal

"The 'Comprehensive Teacher's Bible' is a superb book, whose *Helps to Bible Study* are equally invaluable to Biblical students. It is an ideal Bible for Christian workers."

JOHN FORD, D.D.,

Secretary Educational Society, Methodist Church

"I have had great pleasure in examining *Bagster's New Comprehensive Teacher's Bible*. It seems to me that the *Helps* are wonderfully effective and complete, the edition of the Concordance, in particular, is of the greatest value, and makes the Book practically a small library in itself."

"I have great affection for the *Bagster Bible*, and though I have many others, there is none that I am so at home with as the old one, and that came from this house."
