### CHEAM.

Rev. W. G. Mahon, pastor.

Special services have been held at the Camp Slough appointment, where the pastor was assisted by Revs. White, Hall and Crosby, and though the nights were wet and muddy, great interest was aroused. Several have been led to make a public profession of faith in Christ.

Rev. W. G. Mahon will begin a series of sermons on the Epistle to the Galatians, on Sunday evening next, December 3rd. Public service at 7 p.m. League meeting at 8 p.m. each Sunday.

Mrs. Peet, of Camp Slough, is spending a few days in Vancouver.

The quarterly meeting, held in the Methodist church, Camp Slough, last Sunday, November 26th, is acknowledged to be the best service ever held in that church. It was both pleasant and profitable.

### MAPLE RIDGE.

Rev. A. K. Sharp, Pastor, writes:

We are busily engaged in making preparations for our usual Christmas entertainment, and judging from the way our people are taking hold of the work a good time may be expected.

The heavy rains of late have made it impossible to reach the Lillooet appointment the last few Sundays, the river being too high.

Our services have been very well attended of late, considering the weather, and our choir deserve some credit for the added interest to our Sabbath gatherings.

The returns of the last quarter were the best this mission has made for years.

Our Sabbath school at Westminster Junction has been closed for the winter.

We are expecting assistance in the near future from the Evangelist Rev. John Lewtas, also a visit from Bro. J. F. Betts, on behalf of the college and T. C. T. F.

### RICHMOND.

Rev. A. N. Miller, Pastor, writes.

In the last issue of the "Recorder" we reported having raised \$300 for the 20th Century Fund. That amount has since been increased to \$400, and we have more in prospect.

Our aged sister Miller has been rather poorly for the last two months. We miss her bright, clear, helpful testimonies in our Sabbath morning class meetings. We pray that she may soon be able to take her place again in the sanctuary.

Bro. Cooney, who, a few weeks ago, was so near unto death's door, has in the mercy of God been raised up again; and, though not very strong, is able to be about the house again, to the great joy of his family and neighbors.

Bro. H. Mole, late of Homer Street Church, Vancouver, had the misfortune about six weeks ago of breaking the wrist of his right arm and disabling his shoulder, by falling from a building. We are pleased to know that the wrist has progressed very favorably, and hope the use of the shoulder may soon be regained.

White Swan Soap is manufactured in British Columbia.

### RIVERS INLET.

Bro. E. Nicholas writes:

We had a very pleasant summer's work. There were a fine lot of white men here, and most of them church-goers. For their benefit we held a service every Sabbath at 3 p.m. They turned out well and seemed interested in the services. It seems rather quiet since they left.

Our Indians are pretty well scattered, trapping and hunting. Mrs. Nicholas paid a visit to Bella Coola a short time ago and was warmly received by her old friends on the mission. Dr. Spencer is a grand man, and will do well with the people there.

### NAAS RIVER.

Dr. W. T. Rush, Missionary.

We had just nicely got over an epidemic of whooping cough when mumps and measles followed, and we now have our hands full caring for the sick ones.

Soon after our revivals last spring the people scattered to the various fishing and hunting grounds, and we were not a little anxious about some of the new converts, surrounded as they are by evil influences during the fishing season.

A few, we regret to say, have gone back to their heathen villages; but the majority are with us, and we are praying for wisdom to guide these new disciples into the truth.

White Swan Soap will not waste away in the water.

### NELSON.

Rev. John Robson, B.A., Pastor.

Our ladies of the Ladies' Aid held their annual Sale of Work on November 8, offering to the public the result of their work, together with a dinner, and took in the respectable sum of three hundred dollars. At the following business meeting they voted the sum of two hundred dollars to the T. C. T. F., to be applied to local church departments. With the rest they purpose purchasing some needed articles for the parsonage. Too much credit cannot be given our noble band of ladies, who have, during the last eighteen months, paid off nine hundred dollars church and parsonage expenses.

A reception service was held on Sabbath, Dec. 3rd, when the pastor received 36 persons into full connection with the Church. Several joined by letter, and others by profession of faith. At the close of service the Sacrament was administered to over 50 members. The service in the evening was on "The Great Physician," and the collections amounting to \$28 were given in aid of the General Hospital.
