

MEDICAL & SURGICAL ASSOCIATION OF CANADA.

OFFICES: "Mail" Building, Toronto, Ont.

THE MOST EXTENSIVE MEDICAL INSTITUTION IN CANADA, AND THE ONLY ONE EXCLUSIVELY DEVOTED TO THE TREATMENT OF CHRONIC DISEASES AND DEFORMITIES.

A Purely Canadian Institution, WHICH HAS NO CONNECTION WHATSOEVER WITH ANY SIMILAR INSTITUTION IN THE UNITED STATES OR OTHER FOREIGN COUNTRY.

The building in which the Association's Offices are located.

A Staff of Eminent Specialists, SUPERIOR IN EVERY RESPECT TO THAT EMPLOYED BY ANY SIMILAR INSTITUTION IN THE UNITED STATES OR ON THE CONTINENT.

THE MEDICAL AND SURGICAL ASSOCIATION OF CANADA has been permanently established in Canada, with offices in the "Mail" Building, Toronto, Ont., for the exclusive treatment of chronic diseases and deformities. It is connected with no other institution of a like character in the United States or other foreign country, but is a purely

CANADIAN INSTITUTION, ESTABLISHED IN CANADA, BY CANADIANS TO DO BUSINESS IN CANADA.

OUR STAFF OF SPECIALISTS.

The professional gentlemen employed by this Association are Canadians by birth and education, graduates of Canadian medical colleges of high standing, who have spent many years in the practice of their profession as "regulars," and who have perfected themselves in their various specialties in Europe and America. We have gathered together a staff of eminent specialists, such as no other institution of a like character on this continent employs. Every case we treat is laid before this staff, discussed, and the mode of treatment decided upon, and thus the combined experience of these professional gentlemen is brought to bear upon individual cases, ensuring the patient such treatment as the family physician, acting by himself, cannot be expected to furnish.

OUR REMEDIES AND APPLIANCES.

In order that we may have the best and purest drugs to aid us in our work, and to avoid adulterated goods, we manufacture our special remedies in our own laboratory, where all our prescriptions are compounded under the direction of competent chemists, thus assuring absolute accuracy and certainty as to quality. We buy only the best and purest medicines and chemicals from the most reputable manufacturing drug-sts and pharmacists. Another feature of our Association is the manufacture of ARTIFICIAL LEGS AND ARMS, ELECTRICAL INSTRUMENTS AND SURGICAL APPLIANCES, and everything necessary for the successful treatment of deformities of whatever nature. We manufacture the article ourselves in our manufactory, which is supplied with all the necessary machinery and experienced workmen to turn out the very best work. We take all measurements (or instruct the patient how to do it), and manufacture the article ourselves, and guarantee perfection in every respect.

WHAT KIND OF CASES WE TREAT.

We can successfully treat all kinds of Chronic Diseases and Deformities. We are enabled to do this by employing a number of physicians who, by proper training and experience, have attained the highest degree of skill and proficiency in their respective specialties. In addition to this advantage we have every facility that science affords and that money can buy in the way of instruments, appliances, remedies, etc. We are thus thoroughly prepared to give relief to those who treat with us, no matter what their disease may be, or the nature of their deformity, or what doctors have failed to cure them. If you are afflicted with Consumption, Bronchitis, Asthma, Catarrh, Nervous Debility, Heart Disease, Epilepsy, Paralysis, Dyspepsia, Disease of the Liver, Kidney, Bladder or Stomach, Rupture, Scrofula, Rheumatism, Deafness, Loss of Sight, Cross Eyes, Crooked Limbs, Spinal Curvature, Hip Joint Disease, Club Feet, or any other kind of Chronic Disease or Deformity, call on or write us, and we will give you an honest and candid opinion free of charge. IF WE CAN DO NO GOOD WE WILL CANDIDLY SAY SO AS WE TREAT NO CASE UNLESS THERE IS A STRONG PROBABILITY OF CURE OR PERMANENT BENEFIT.

WE CANNOT AFFORD TO DECEIVE,

any more than a merchant or manufacturer can hope to succeed by misrepresenting his wares. In all our dealings we will be candid, honest, and straightforward, and in no way will we attempt to deceive the public, and especially those who have trouble enough to bear without being deceived upon them.

COST OF TREATMENT.

The cost of treatment of course varies according to the nature of the complaint, what surgical appliances may be required, etc., but in no case will it be placed beyond the patient's ability to pay. In this as well as in other respects we shall endeavor to keep the scales of justice evenly balanced. Widows, orphans, working-girls, and the very poor in this world's goods will be treated at exceptionally low figures. If you cannot come to consult personally, write us, giving full details of your case, and we will give you our honest and candid opinion, together with all information as to cost, etc. All information cheerfully furnished free of charge. Medical treatment furnished by correspondence and express. "Guide to Health" sent free to any address. Office hours from 9 a.m. to 5 p.m. Sundays from 2 to 5 p.m. CONSULTATION FREE. If you are afflicted and want an honest and candid opinion, call on or write to
