W. BAKER & CO., Dorchester, Mass.

In the chapter on "Brain and Nerve Foods," contained in his recent work on "Nerve Waste," Dr. H. C. Sawyer gives the following unsolicited testimony by the value of Walter Baker & Co.'s Cocoa: "Baker's breakfast cocoa is a light preparation which can be heartily recommended; it contains only so much fat as can be digested by almost anyone; and is peculiar in not cloying or palling after a time, as so many cocoa preparations do. Such a beverage is far more wholesome and more agreeable, after one becomes used to it, than tea, which is much overused. It is especially useful for children; our little boy has drunk it since he was a year and a half old, has become inordinately fond of it, and has kept as 'fat as a pig,' as we say."
