ROOFING!

Sparham Fire-Proof Roofing Cement COMPANY.

The only roof that has stood the test of the Canadian climate, for twelve years it has given nothing but the most perfect satisfaction. All other cement roofs have been utter failures. All roofs laid have the guarantee of the Sparham Company, which has \$50,000 capital paid up—a substantial guarantee—not on paper. Roofs laid in Montreal with our cement TEN YEARS ago are as good to-day as when laid and have had no repairs. For further information and testimonials apply at head office, 309 St. James Street, Montreal.
