TREES.

How pleasant are the waving trees,
The oak, the ash, the birch;
How beautiful that old row seems,
That grows beside the church!

And these tall Linden-trees, whose boughs
Bring shadows o'er the dead,
Making a gloomy canopy
Over their cold low bed.

The firs that crown the lofty hills,
Like giants in their pride,
Or like a darkling thunder cloud
At even on their side

Oh yes, they seem to me to point
Upward, and mock the sky,
So high their dark flames wave in air,
So high their spears arise

The alder tree grows near some stream,
And the yellow willow slender,
O'er which the large palm throws his arms
As if he would defend her.

The silky catkins oft we took
Delighted from the twig,
In childish days, and climb'd for them
The trees to us so high.

We fill'd our tinny pockets full—
We loved such pretty things,
Oh, childhood ever flies away
Fast on its golden wings.

And then the fruitful elder-tree,
Of whose small juicy berry
The country people make sweet wine,
To drink and to be merry.

I love the shady sycamore,
With its leaves so large and round,
That lie, in dull November hours,
Thick-spotted, on the ground.

And then the trees in some large wood,
Far from the noise of towns,
Wearing in autumn time their leaves,
Like variegated crowns.

The hazel in the hedge and copse,
The holly in the glen,
They beautify this home below,
Given from God to men.

Oh, grant me places where the trees
Are scatter'd thickly round,
Where woods are mixed with waterfalls,
And rocks rise from the ground.

Trees are the things that children love,
And men delight to see;
And they bring a thousand memories
Of bygone days to me.

LANGLEY'S ANTIBILIOUS APERIENT

LET US REASON TOGETHER.

HOLLOWAY'S PILLS

WHY ARE WE SICK?

IT has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the WRAK, the NERVOUS, the DELICATE, and the INFIRM, of all climates, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicine, and offers them to a free and enlightened people, as the best remedy the world ever saw for the removal of disease.

THESE PILLS PURIFY THE BLOOD.

These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

DYSPEPSIA AND LIVER COMPLAINTS.

Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of dyspepsia of the liver, dyspepsia, and stomach complaints generally. They soon give a healthy tone to those organs, how ever much deranged, and when all other means have failed.

GENERAL DEBILITY—ILL HEALTH.

Many of the most despotic Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicine of the masses. Learned Colleges admit that this medicine is the best remedy ever known for persons of delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

FEMALE COMPLAINTS.

No Female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint, and consequently no family should be without it.

Holloway's Pills are the best remedy known in the world for the following Diseases:

Ague	Female Irregularities	Scrofula, or King's Evil

Bilious Complaints	Fits	Stones and Gravel
Bleaches on the Skin	Gout	Secondary Symp-toms
