Nature's great remedy, Kidney-Wort, has cured many obstinate cases of piles. This most distressing malady generally arises from constipation and a bad condition of the bowels. Kidney-Wort acts at the same time as a cathartic and a healing tonic, removes the cause, cures the disease and promotes a healthy state of the affected organs. James F. Myer, carriage Man'r, of Myerstown, Pa., testifies to the great healing powers of Kidney-Wort, having been cured by it of a very bad case of piles which for years had refused to yield to any other remedy.

Mr. Henry Harding, of Toronto, writes. My little daughter, 7 years of age, has been a terrible sufferer this winter from rheumatism, being for weeks confined to her bed, with limbs drawn up, which could not be straightened, and suffering great pain in every joint of limbs, arms and shoulders. The best of physicians could not help her, and we were advised to try Dr. Thomas' Electric Oil, which we done, and the benefit was at once apparent; after using two bottles the pain left, her limbs assumed their natural shape, and in two weeks as well as ever. It has not returned.

Mr. W. Maguire, merchant, at Franklin, writes: "I was afflicted with pain in my shoulder for eight years—almost helpless at times—have tried many remedies, but with no relief, until I used Dr. Thomas' Electric Oil. Like all sterling remedies, Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure deserves a fair trial. It would be absurd to suppose that this or any other medicine of kindred nature could produce instantaneous effects. For the thorough removal of chronic dyspepsia, constipation, liver complaint, and other ailments to which it is adapted, its use should be continued some time, even after the chief symptoms are relieved. That it then effects complete cures is a fact established by ample and respectable evidence.
