MIZPAH
Medicine Droppers and Eye Pipettes.

These Droppers and Pipettes have a Valved Stopper in the end near the bulb that prevents the liquid from entering the rubber bulb, but at the same time will allow the air to pass through when the bulb is depressed and again expands to draw the liquid into the bulb.

This is a valuable feature as it is well known that in all rubber bulbs, that a sticky and powdery substance collects on the inner surface of the bulb as the rubber ages, which in ordinary Droppers and Pipettes becomes mixed with the liquid used, and often produces deleterious and injurious effects, and destroys the medicinal properties, while in the MIZPAH Dropper the liquid used is preserved perfectly pure and clean.

It is also provided with a long slender point which will reach well into a deep bottle.

They are made in three styles of pipettes, and retail for 10c. each.

—AND—

SUSPENDER COMBINED.

Expands the Chest, promotes Respiration, prevents Round Shoulders. A perfect Skirt-Supporter for Ladies. No harness - simple - unlike all others. All sizes for Men, Women, Boys and Girls.

Cheapest and Only Reliable Shoulder-Brace.

The importance of a Shoulder-Brace in holding the body erect, expanding the Chest, preventing Round Shoulders and Hollow Chest, is well understood. Good health depends upon it. Many attempts have

been made to present a suitable article for this purpose, all of which, however, were objectionable in some respects, which prevented their coming into general use. In the Knickerbocker Brace all objections have been overcome. It is a Combined Shoulder-Brace and Suspender. It provides new and improved suspenders for men's pants, and supporters for ladies' underskirts, which do the double duty of holding up and bracing up.

Sold by Druggists. Send chest measure around the body. Address,
