VITÆ-ORE!

A Puzzle to the Scientist!

An Enigma to the Medical Student!!

A Boon to the Afflicted!!!

A RECENT GREAT DISCOVERY.

No doubt no remedy before the public will be-
come as popular as Vitæ-Ore, which is now being
introduced in New Brunswick by the General
Agents, A. B. WALLACE & CO., Germain St.,
St. John. It is the sediment of a once famous
mineral spring oxydized by a simple natural process
in the open air. We find in this ore, after it is
oxydized, all of the natural constituents of the
waters of the world's most noted healing springs.
By its use the sufferer obtains at home, at a very
small cost, the same blessings which the wealthy
patients procure at the springs at an expense of
hundreds of dollars. The ore is in no way made
over or subjected to any artificial process; it is given
to the patient in the same state in which it is found,
a pure, unadulterated product of nature.

Hundreds of unsolicited testimonials are received
from grateful people all over New Brunswick where
it has been introduced. Many are received like the
following from Mr. John McKenzie, ex-Mayor of
Moncton, N. B.: "I have derived more benefit from
Vitæ-Ore than from any other medicine I have
taken for the last seven years." Not only is Vitæ-
Ore a scientific article, and the greatest remedy
before the public, but it is a marvel of cheapness.
One package, which makes a five weeks' treatment,
costs only one dollar. Any afflicted member of the
Order would be wise to write to Mr. Wallace, and
without doubt will be answered in an honest, intel-
ligent manner.—N. B. Forester.

We will continue our offer in giving one-half of
commission on order sent in to Home Missions to
the readers of this paper. Should you not be ac-
quainted with the virtue of V.-O., we will be
pleased to send you the names of some of those
that are taking it.
