

PRINCE ALBERT

the international joy smoke

NIX on this "Indian-silence-under-torture" bunk. Believe us, his brand of endurance is counterfeit compared to that of the boys who smoke live-coal-on-the-tongue brands of pipe food and let on to be gleeful. But why put your tongue to the torture test, brother? P. A. can't bite, can't singe your lining. The bite's removed by our wonderful patented process.
