The Week.

HOME NEWS.

Parrsboro', N. S., expects to ship 20,000,000 feet of lumber this season.

Out of 344 students examined in the faculties of Arts and Law in the University of Toronto, at the recent examination, 78 were plucked.

Ottawa, June 13.—All the Grand Trunk Railway officials connected with the trains that collided near the Don this week have been discharged.

The estimated population of Nova Scotia is 453,000, which will show the ratio increase to be greater the last decade than during the previous one.

Ottawa, June 10.—A supposed seam of coal, which was recently discovered in British Columbia by Dr. McInnes, turns out to be "Albertite," worth about \$20 per ton in that locality.

Ottawa, June 11.—At a meeting of the Directors and Shareholders of the Canada Central Railway yesterday, the necessary steps were taken to consummate an amalgamation with the Canada Pacific Railway.

Senator Cornwall, has been officially offered the appointment of Lieut.-Governor of British Columbia, and has accepted. The vacancy in the Senate will, it is surmised, be filled by Mr. Vernon, member of the Local House for Yale.

The report of the sale of the Island of Campobello, N. B., to a company of Boston and Maine capitalists, with a capital of a million dollars, is confirmed. Big hotels, steamers calling, and general development of the Island is the programme.

Our subscribers, both in country and city, in want of Furniture and Household Requisites, would do well to call on J. W. BETCHER, 209 Hollis St., Halifax, whose advertisement appears elsewhere. We know Mr. Betcher to be thoroughly reliable.

The St. Croix Cotton Mill will have a frontage of five hundred and seventeen feet, will be four stories high, granite foundation and brick walls, is to contain 40,000 spindles and is expected to be the largest Cotton Mill on the continent of America.

Quebec, June 9.—A fire, which commenced in this city last night shortly before midnight, has proved most destructive. 800 houses were destroyed, and 1500 families rendered homeless. The total loss is estimated at \$2,000,000. Insurance only \$700,000.

The following sums have been subscribed towards the relief of the Quebec sufferers: His Excellency the Governor-General, \$500; Mayor of Quebec, \$100; Cure of Chambly, \$100; Quebec Legislature, \$10,000. A subscription has been started in Toronto in aid of the victims.

Two fine vessels building in River John, are rapidly approaching completion. One is a barque of a thousand tons for Mr. Archibald Mackenzie, the other is also a barque being built by the well known ship builder Mr. James Kitchen for Capt. David Crerar of Pictou. These two vessels give employment to one hundred men, and make business lively.

NEWS FROM ABROAD.

According to the recent census the population of London is 3,814,517.

The sugar crop of the world in 1880 was 3,422,988 tons, of which 1,857,988 were from cane, and 1,565,000 beet root.

Mendota, Ill., June 9.—Thousands of acres of corn are under water in this section. Several bridges have been washed out. The rain has been heavier than for years. If it stops now, however, the injury to the crops will be small.

Liverpool, June 10.—An attempt was made last night to blow up the Town Hall in this city, but it only resulted in breaking the windows in the Hall and in Brown's buildings on the opposite side of the street. It is reported two men were arrested with dynamite and loaded revolvers in their possession.

New York, June 10.—The Star editorially states that it has special information from Ireland that a great crisis is imminent there. The people are armed and ready to use their weapons. Skirmishers are about to exchange stones, scythes and shillelahs for revolvers and repeating rifles, which have been obtained through secret agencies in France, Germany and America.

INFLUENZA CATARRH

(Commonly known as Cold in the Head) There is perhaps, no disease that is more prevalent in fact, has become an EPIDEMIC And if cured or arrested will produce diseases of a more serious character. It has been said that

Puttner's Emulsion

has proved itself a specific and cure, and its results have been most remarkable in arresting and curing these diseases.

BLOOD TONIC.

It is said an acknowledged by the highest medical authorities that IRON is a constant and necessary constituent of the body, and must be regarded as an important food, and as

Puttner's Emulsion

contains this essential constituent, in connection with other valuable adjuncts makes it more valuable than any other compound of the kind, in cases of IMPROVED BLOOD, ANEMIA, in weak pale and Thin and FEMALE and YOUNG CHILDREN.

NERVE TONIC

There is no Substitute for Puttner's Emulsion It is an exceedingly valuable remedy for Nervous Diseases, and especially useful in Neuralgia, Nervous Dyspepsia, Loss of Sleep, and to Clergymen, Students and Business Men, who are habitually overworked, and subject to severe mental strain derive much benefit from its use.

The Trade says the demand for PUTTNER'S EMULSION is larger and gives better satisfaction, than all the other preparations of the kind put together, and they must keep it, which is another proof of its intrinsic worth.

PRICE, 50 CENTS. SEE YOU GET Puttner's Emulsion.
