The EMERALD SNOWSHOE CLUB.—Last week the Emeralds closed their annual celebration in the St. Lawrence Hall, Montreal, where a numerous gathering of members and their friends met to dine.

The Fatherland took first place in the honours of the toast list, for these young Emeralds glory in the recollection that they spring from the old land, whose national colour they float as their standard.

But with all that they did not forget that they were now citizens of Canada, and while pledging anew this love of Fatherland, they did not forget their duty to this land of happy homes and altars free.

DE LA SALLE INSTITUTE, Nos. 18, 20 & 22 Duke Street, Toronto, Ont. DIRECTED BY THE CHRISTIAN BROTHERS. This distinguished Commercial Establishment is under the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City. Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been entering in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.

The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which renders it a favorite resort to students. The spacious building of the Bank—now adapted to educational purposes—the ample and well-devised playgrounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" whatever its directors could claim for it, or any of its patrons desire.

The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christian Brothers will now be better able to promote the physical, moral and intellectual development of the students committed to their care. The system of government is mild and paternal, yet firm in enforcing the observance of established discipline. No student will be retained whose manners and morals are not satisfactory; students of all denominations are admitted.
