the British Constitution be true, it must be a wonderful production-a political revelation-a paragon (as times go) of perfection. But wonderful and admirable though it be, like all other things mundane, it has its little weaknesses. It may be able for many and great things, but, poor creature! there is one thing it cannot do. It cannot overcome Protestant bigotry, it cannot protect the Catholic minority from the tyranny of the Protestant majority. Some may, perhaps, deem this one of its greatest excellences; and to the Protestant majority it doubtless does appear so; but though the "Superior race" have a prescriptive right to skin the eels, still the eels have at least the prescriptive privilege of " wriggling" under the infliction. Finzs. - Last Friday afternoon a fire occurred at 4. 35 in Aqueduct Street, which injured the upper story of a small wooden house. The fire arose from the chimney, and communicated to the roof. Between 8 and 9 o'clock another fire occurred upon the corner of Margaret and St. Antoine streets, which commenced in a stable, and damaged a number of small wooden bouses and a corpenter's shop. Damage estimated at £400 - covered by insurance.

The Montreal Guzette remarks: The demand from the United States for square white pine still continnes, and the quantity sold up to the present, and forwarded from Canada, is 2.249 000 square feet, at from 10 to 15 cents a square foot, according to quality and average size. The demand for sawn lumber for the States never was more brisk, and every available barge is employed to load.

PLUMBAGO MINES - The Amproir Times, referring to the Plumbago mines recently discovered in that vicinity says: - We have seen lately, with pleased astonishment, Mr. Pearce's Plumbago Mill in operation, some twelve or thirteen miles back in the rug-ged wilds of Lochaber. The Mill was then crushing and preparing for market the crude ore there iving piled at its door, to the amount of, it was said, eight hundred tons. From what we saw, we should ima-gine that the Company (Lochaber Plumbago Co.,) which Mr. Pearce represents, must have already paid out about thirty thousand dollars in the enterprise.

A: about helf-past two o'clock a severe storm swept over the lake, by which their boat was capsized, and, sad to relate, they all perished. Their cries for help were heard for some time, but being some three miles from the light house, and the storm continuing to rage, they received no assistance. Diligent search was made for their bodies during Wednesday and Thursday, but without success.

On Sunday morning, the crew of one of the Government boats which pies hourly between the wharf and St. Helen's Island observed something floating down the stream. The boat's head was turned, and nearly opposite Molson's wharf, they came up with what proved to be the body of Lieutenant W. H Pinson, a native of England, but who had served in American Army as 1st Lieutenant of the 18th Regiment, New York Cavalry Volunteers, and who was one of the three young men drowned on Tacaday the 7th inst., on Lake St. Louis.
