Ideal War-time Policies

Combining Savings, Investment and Protection Features

It's a question whether there is a more completely satisfied class of men anywhere than those Mutual Life policyholders who are to-day receiving settlements under maturing endowment policies. Year by year they have laid by in premiums sums that would otherwise probably have been dissipated; and now they find that for every \$100.00 so invested, from \$125.00 to \$210.00 have been received, depending on the length of the endowment term. Meanwhile their homes have been protected for the face value of the policies. Thus endowments in the Mutual of Canada combine an easy savings system with a gilt-edged investment and perfect home protection.
