## Mercantile Summary.

THE first train load of coal from the mine of the Canadian Anthracite Coal Company has been received in Winnipeg.

AN old farmer remarked on the streets of Deposit yesterday, when asked how his hay was drying, that if it got dry as fast as his workmen it would be ready for the barns as quick as cut down.

Down in Pictou county, according to the New Glasgow Independent, the hay crop "promises to be short again," the drought being long continued. Prediction is made of a good root crop, however.

THE story goes that a big cotton commission house recently failed in New Orleans and notified the Cotton Exchange of the fact in the following quaint terms: "We have the honor to announce that we are unable to meet our obligations."

A CAPIAS has been issued against Miller & Hunter, store dealers, Victoria, B.C. It was thought that they were about to leave the country without paying their debts. It is probable that the stock will now be sold and the business closed.

WE now learn that it was not the Bank of Montreal, but the Canadian Pacific Railway Company which erected the premises about being occupied by that bank in Vancouver. The bank of British Columbia, it appears, has leased another portion of the same building.

A CREDITOR of the estate of Hargreaves & Co. writes to say that the statement of that firm having a surplus of \$5,000 is incorrect. The letter adds: "The firm's liabilities are about \$15,000 and the nominal assets less than \$3,000. Mr. H. acknowledged at the meeting of creditors that on the first of the year he was \$5,000 behind, but he still went on buying lumber when he could."
