

CANADA

EXCHANGE OF NOTES (April 19 and July 28, 1966) BETWEEN THE GOVERNMENT
OF CANADA AND THE GOVERNMENT OF THE UNITED STATES OF AMERICA
CONCERNING THE LOAN BY THE UNITED STATES OF LORAN-A EQUIPMENT
IN ADDITION TO THAT LOANED UNDER THE AGREEMENT OF JUNE 8, 1965.

I

*The Chargé d'Affaires, a.i. of the United States Embassy in Canada to the
Secretary of State for External Affairs.*

EMBASSY OF THE UNITED STATES OF AMERICA

Ottawa, April 19, 1966.

No. 353

SIR:

I have the honour to refer to the Agreement between our two Govern-
ments effected by an exchange of notes dated June 7 and 8, 1965⁽¹⁾ concerning
the loan of Long Range Aid to Navigation (LORAN-A) equipment by the
United States Coast Guard to the Canadian Department of Transport for use at
Canadian Loran-A stations.

It has since developed that the United States Coast Guard is prepared to
make available the following additional equipment, which I understand the
Canadian Department of Transport will accept, for the further modernization
of the LORAN-A stations in question under the same understandings and
conditions as set forth in the 1965 Agreement mentioned above:

Twelve (12) Automatic Synchronizers (SN-108).

If the foregoing is acceptable to the Government of Canada, I have the
honour to propose that this note and your note in reply to that effect shall
constitute a further agreement between our two Governments regarding this
matter effective from the date of your reply, and which shall remain in force
for the duration of the original 1965 Agreement cited above.

Accept, Sir, the renewed assurances of my highest consideration.

JOSEPH W. SCOTT
Chargé d'Affaires ad interim

The Honourable Paul Martin,
Secretary of State for External Affairs,
Ottawa.

⁽¹⁾ Canada Treaty Series 1965 No. 8.
