

COMPANIES IN CANADA PRODUCING IRON ORE, OR WITH
PROPERTIES UNDER DEVELOPMENT AND ANNOUNCED
PLANS OF PRODUCTION

Company	Property Location	Type of Ore	Product Shipped
<u>In Production</u>			
Dominion Wabana Ore Ltd.	Wabana, Bell Island, Nfld.	hematite	heavy-media concentrates
Quebec Iron & Titanium Corporation Iron Ore Company of Canada	Allard Lake, P.Q. (mine) Sorel, P.Q. (smelter) Labrador-New Que. near Schefferville, P.Q.	ilmenite-hematite goethite and hematite	desulphurized iron direct shipping ore
Noranda Mines Limited	Noranda area, P.Q.(mines) Port Robinson, Ont. (sinter plant)	hematite by-product pyrite flotation concentrate	iron oxide sinter
Marmoraton Mining Co.Ltd. (Bethlehem Steel Co.) Clarcken Development Ltd.	Marmorata, Ont. Lake township, Hasting county, eastern Ont.	magnetite	pelletized magnetite concentrate magnetic concentrate
Algoma Ore Properties Ltd. Steep Rock Iron Mines Limited	Mines and sinter plant near Jamestown, Ont. Steep Rock Lake, Ont. near Atikokan	siderite goethite	iron oxide sinter direct-shipping ore
The International Nickel Company of Canada, Ltd.	Mines in the Sudbury area and plant at Copper Cliff, Ont.	pyrrhotite flotation concentrates	iron oxide pellets
Texada Mines Limited Argonaut Mine Division of Utah Co. of the Americas	Texada Island, B.C. Quinsam Lake near Campbell River, Vancouver Island, B.C.	magnetite magnetite	magnetite concentrates magnetite concentrates
<u>Under Development with Plans of Production</u>			
Canadian Javelin Ltd.	Wabush Lake area, Labrador just west of mileage 224 off the Quebec North Shore and Labrador Railway	beneficiating grade magnetite and specular hematite	iron oxide pellets
The Quebec Cartier Mining Company Ltd. (1961)	Mt. Reed and Mt. Wright areas, Que., 150 and 210 miles north of Shelter Bay	beneficiating grade specular hematite & magnetite	iron ore concentrates
The Hilton Mines (1957)	Near Bristol, Que., 40 miles northwest of Ottawa	beneficiating grade magnetite	iron oxide pellets
Noranda Mines Limited (1957)	Noranda area, Que.(mines) Cutler, Ont. (sinter plant)	by-product pyrite flotation concentrate	iron oxide sinter
Lowphos Ore Ltd. (1958)	Near Sellwood, Ont. 20 miles north of Capreol	beneficiating grade hematite bearing gravels	iron oxide conc. or pellets washed & sized hematite
Can. Charleson Ltd. (1958)	Steep Rock Lake, Ont.	magnetite	
Empire Development Co. Ltd. (formerly Quatsino Copper-Gold Mines Ltd. (1957)	Elk River deposit near north end of Vancouver Island, B.C.	magnetite	magnetite concentrate
