

- (b) An annuity or other amount paid in respect of a life insurance or annuity contract (including a withdrawal in respect of the cash value thereof) shall be deemed to arise in a Contracting State if the person paying the annuity or other amount (in this subparagraph referred to as the "payer") is a resident of that State. However, if the payer, whether a resident of a Contracting State or not, has in a State other than that of which the payer is a resident a permanent establishment in connection with which the obligation giving rise to the annuity or other amount was incurred, and the annuity or other amount is borne by the permanent establishment, then the annuity or other amount shall be deemed to arise in the State in which the permanent establishment is situated and not in the State of which the payer is a resident.

2. Paragraph 7 of Article XVIII (Pensions and Annuities) of the Convention shall be deleted and replaced by the following:

7. A natural person who is a citizen or resident of a Contracting State and a beneficiary of a trust, company, organization or other arrangement that is a resident of the other Contracting State, generally exempt from income taxation in that other State and operated exclusively to provide pension or employee benefits may elect to defer taxation in the first-mentioned State, subject to rules established by the competent authority of that State, with respect to any income accrued in the plan but not distributed by the plan, until such time as and to the extent that a distribution is made from the plan or any plan substituted therefor.
