Professor H. A. Smith,  
Faculty of Law,  
McGill University.

Dear Professor Smith:-

I am returning herewith  
papers dealing with the Institute of International  
Education of New York.

I had already received copies and  
I agree with you that it is well to keep in  
touch with this Association. I shall be very glad  
if you would draw my attention to the presence on  
this side of the water of lecturers with whose  
work you are familiar.

Yours faithfully,

Principal.
