### OUR LEAFS PULLED SEVERAL BONES

And the Crabs From Richmond Cleaned Up the Series-Providence Today.

The Toronto Leafs are still handing 'em away. Despite Manager Clymer's shakeup in the team, Richmond walked off with yesterday's set-to by a score of 8 to 4 and made a clean-up of the series. tacular running caten of Crane's ur

Opening day weak pitching cost us the game, Tuesday it was errors, and yesterday it was boneneaded base-running game, Tuesday it was errors, and yesterday it was bonencaded dase-running and coatning when dosed it away. With lust as many hits as the virginians and the same number of errors we could score but haif as many runs. The first lun thrown away was in the fourth, when the first lun thrown away was in the fourth, when Graham, after nitting cleamy chru short, was hipped off the dag by Morrisette's peg. After Graham's out from got a fife on Jordan's boddle of a thrown oat, and Luque hit safely past second, only to get daught the same as Graham. We finally turned down the opportunity to win the game in the eighth when wison drew a pass, and after frout and Luque filed out, seach douoled cleanly to centre. Hollander, coaching off third, touched Wilson as he rounded the danger corner, and the lumps called Wilson out. Thus the side was retired with runners on second and third and Kocher at the bat.

Hoffman and Bates robbed Hollander of a hit in the seventh on a curious play. Hoffman tore over into Bates' territory after the drive, got hold of it, then let it slip thru his fingers. Bates, coming from the other direction, dived for it and got it before it hit the ground. Hoffman gets credited with an assist on the play.

Cocreham, who relieved Cook in the sixth, looks like a real twirler. Except for Bates' home run clout into the bleachers, his fast breaking outcurve had the Virginians puzzled. The score:

TORONTO— A.B.R. H. P.O. A. E. Hollander, 3b. ... 4 0 0 0 0 0 0 Messenger, 1.f. ... 4 1 1 0 0 0

## KLEBURNE OUT OF THE TORONTO CUP

Thirteen Other Horses of Amos Turney's String Arrive-Woodbine Trials.

Amos Turney's string of thirteen thorobreds arrived at the Woodbine from Pimlico in charge of Trainer Roy Martin yesterday afternoon. Al. G. Weston brought his own two three-year-olds, Eagle and Cliff Haven, in addition to nine of the Presgrave string. Philistine, the Samson two-year-old purchased by Jos. Seagram from Trainer Barry Littlefield's father at New York a few morths ago, also came with the Weston horses.

Turney's good horse, Kleburne, who was being pointed for the Toronto Cup, along with Waterbass, went lame at Pimlico and has been sent back to the farm in Paris, Kentucky. The three-year-old Balko is also entered in the Toronto Cup, and now the stable will have to rely on Waterbass and Balko in the big race. Bolala, a three-year-old from the same stable, also broke down and was shipped to the farm along with Kleburne.

The following are the thirteen, five of which are two-year-olds: Waterbass, Horron, Glint, Balko, Kim, Anxlety, Mimico and Burwood. The two-year-olds are: Bambi, Stick, McLelland, May McGee and Wat'r War.

The following complete the Presgrave string: Linsin, Corn Broom, Shyness, Bryndown, Faker and Lingar. Two-year-olds: Casco, Affadir and Copper King. Jockey McAtee will do the light riding for the stable.

Jockey McAtee will do the light riding for the stable.

The Krausmann plater, Hampton Dame, with Jockey Acton up, worked a mile and one-quarter in 2.11 yesterday morning, the first quarter in 25 2-5, one-half in .50 4-5, three-quarters in 1.16, one mile in 1.44 and the mile and one-quarter in 2.11 handily. It was a very good move and it is hardly likely that the filly will be given work any farther than a mile until race day.

The Millar pair, Fair Montague and Tartarean, went the full plate route in 2.12 3-5, one and three-fifth seconds slower than Hampton Dame. They had more weight up than Hampton Dame and went the first quarter in 2.51-5, one-half in .50, three-quarters in 1.19, one mile in 1.47, and the mile and one-quarter in 2.12 3-5. Tartarean made the pace, but was beaten about three lengths at the finish. They will hardly work over the distance any more before plate day. Jockey Ted Rice, who will do the riding for the Turney stable here, has been engaged to ride Fair Montague in the King's Plate.

Several of the horses from the Davies string were worked. Southern Maid went one-quarter in .23 1-5, three-eighths in .54 4-5, one-half in .46 4-5, five-eighths in .59 4-5, and pulled up three-quarters in 1.15.
