## DISEASE OF THE EAR.

Mrs. W. J. LANG, Bethany, Ont., writes:  
"I was one of the greatest sufferers for  
about fifteen months with disease of my  
ear similar to ulcers, causing entire deaf-  
ness. I tried everything that could be  
done through medical skill, but without  
relief. As a last resort, I tried Dr. Thomas'  
Electric Oil, and in ten minutes found  
relief. I continued using it, and in a short  
time my ear was cured and hearing com-  
pletely restored. I have used this wonder-  
ful healer successfully in cases of inflam-  
mation of the lungs, sore throat, coughs  
and colds, cuts and bruises, etc.; in fact, it  
is our family medicine."

*For Strains, Sprains, Bruises, Cuts, Burns,  
etc., it has no equal; it allays all  
inflammation, and rapidly heals the  
parts cut, bruised or burned.*

PETER KIEFFER, Buffalo, says: "I was  
badly bitten by a horse a few days ago, and  
was induced by a friend, who witnessed the  
occurrence, to try Dr. Thomas' Electric  
Oil. It relieved the pain almost immedi-  
ately, and in four days the wound was com-  
pletely healed. Nothing can be better for  
fresh wounds."

ORPHA M. HODGE, Battle Creek, Mich.,  
writes: "I upset a teakettle of boiling  
hot water on my hand. I at once applied  
Dr. Thomas' Electric Oil, and the effect  
was to immediately allay the pain. I was  
cured in three days."

Jos. BEAUDIN, M. D., Hull, P. Q., writes:  
"Dr. Thomas' Electric Oil commands a  
large and increasing sale, which it richly  
merits. I have always found it exceedingly  
helpful; I use it in all cases of rheumatism,  
as well as fractures and dislocations. I made  
use of it myself to calm the pains of a  
broken leg with dislocation of the foot, and  
in two days I was entirely relieved of the  
pain."

A. M. HAMILTON, Warkworth, writes  
"For weeks I was troubled with a swelled  
ankle, which caused me much pain and  
annoyance. Mr. Maybee, of this place, re-  
commended Dr. Thomas' Electric Oil for  
it. I tried it, and before one bottle was  
used I was cured. It is an article of great  
value."

## LAMENESS CURED.

JOSEPH RUBAN, Percy, writes: "I was  
induced to try Dr. Thomas' Electric Oil  
for a lameness which troubled me for three  
or four years, and I found it the best  
article I ever used. It has been a great  
blessing to me."

JOHN HAYS, Credit, P. O., says: "His  
shoulder was so lame for nine months that  
he could not raise his hand to his head, but  
by the use of Dr. Thomas' Electric Oil the  
pain and lameness disappeared, and al-  
though three months has elapsed, he has  
not had an attack of it since."

## A DETECTIVE'S LEAP.

Mr. THOMAS FLYNN, Chief Detective,  
Grand Trunk R.R., says: "Business called  
me a short time ago to a village near King-  
ston. While the train was in motion I  
jumped off; in so doing I alighted on the  
sloping part of the ballast, where the track  
had been raised, with such force as to se-  
verely sprain my knee. I was driven to  
Kingston and had to be assisted to my room.  
I immediately procured a bottle of Dr.  
Thomas' Electric Oil, and although my  
leg was so badly swollen that I could not  
bend my knee, after three applications of  
this oil I was out of bed and walked to the  
station. This was on Saturday afternoon,  
and on Monday I was able to attend to my  
business as usual. I also used this wonder-  
ful oil for sore throat, and it cured it."

## MORE PROOF OF ITS POPU- LARITY.

Messrs. MITCHELL & PLATT, Druggists,  
London, Ont., write: "We have sold Dr.  
Thomas' Electric Oil since its first introduc-  
tion, and we can safely say, no medicine on  
our shelves has had a larger sale, or gives  
better satisfaction. We always feel safe in  
recommending it to our customers."

R. C. BRUCE, druggist, Tara, says: "I  
have no medicine on my shelves that sells  
faster or gives better satisfaction than Dr.  
Thomas' Electric Oil, and the sale is con-  
stantly increasing, the past year being the  
largest I have ever had. One of my custo-  
mers was cured of catarrh by using three  
bottles. Another was raised out of bed,  
where he had been laid up for a long time  
with a lame back, by using two bottles. I  
have lots of customers who would not be  
without it over night."

Rev. J. McLAURIN, Canadian Baptist  
Missionary to India, writes: "During our  
stay in Canada we have used Dr. Thomas'  
Electric Oil with very great satisfaction.  
We are now returning to India, and would  
like very much to take some with us, for  
our own use and to give to the diseased  
heathen."
