#### An Investment That Pays

An investment of a few hundred or even a few thousand dollars in "Ryrie" Diamonds should prove very profitable. ¶ Diamonds have

been continually advancing, and everything points to still greater increases. Time has no affect whatever on a Diamond except to increase its value as the years go by.

We. personally choose every stone from the cutters, and are the largest importers of Diamonds in Canada, and pay no duty whatever. 4 Thus we naturally can give you gems of the finest quality, at closer prices than any other establishment on the Continent.
