THE EASTERN SCHEDULE.

THE TORONTO CLUB HAS A GOOD SHARE OF THE PLUM.

They Open the Season May 1 at Rochester and That Team Will be First over the Don May 2—Manager Buckenberger Denies That Toronto is Subversive to the Pittsburgh Club.

The Eastern League schedule was given out at the closing of the meeting yesterday in New York. Toronto should be satisfied with her share of holiday plums, playing in Buffalo, the biggest city in the league, both on Decoration Day and July 4, and two games at Syracuse on Labor Day. The season opens here May 8, with Rochester, Toronto opens at Rochester May 10.

The constitution was unanimously adopted as revised. The only important change was in regard to the penalty for a club leaving the field during a game. The one in such cases was raised from \$100 to \$300. A. C. Buckenberger of Toronto was elected a member of the Board of Directors, in place of John C. Chapman.

The delegates were evenly divided, 4 to 4, on the question of sending a delegate to the minor league presidents' meeting. President P. T. Powers cast his decisive vote in the negative, so that the motion was lost by a vote of 5 to 4. The president, however, will probably go to Washington for the purpose of requesting an explanation from President Nick Young of the National League on Article II of the new agreement. The article dealing with the drafting of players by minor leagues. By the terms of this article club players will be turned over to the secretary of the Board of the sum set forth in article 12, which is \$300 for class B, \$200 for class C, and \$100 for class D.

It was also said that he expected to turn out a strong team. The club had made up of Lutenberg, Padden, John Smith and Stuart. Some of the Toronto players will be turned over to Ed. Burrows' Paterson club. Burrows also have the pick of the crack Wheeling team, of which A. C. Buckenberger was the owner last year. The schedule is as follows:
