How She Cured Him With a Secret

"I had for years patiently borne the discrete, suffering, misery and privations due to my husband's drinking habits. Hearing of your marvelous remedy for the cure of drunkenness, which I could give my husband secretly. I decided to try it. I procured a package and mixed it in his food and coffee, and, as the remedy was odorless and tasteless, he did not know what it was that so quickly relieved his craving for liquor. He soon begant opick up flesh, his appetite for solid food returned, he stuck to his work regularly, and we now have a happy home. After he was completely cured I told him what I had done, when he acknowledged that it had been his saving, as he had not the resolution to break off of his own accord. I heartly advise all women afflicted as I was to give your remedy a trial."

Lydia E. Pinkham's Vegetable Compound is Especially Successful in Curing this Fatal Woman's Disease.

MANNAM OMINIATI I HADALTO

Of all the diseases known with which the female organism is afflicted, kidney disease is the most fatal. In fact, unless early and correct treatment is applied, the weary patient seldom survives.

Being fully aware of this, Mrs. Pinkham, early in her career, gave ex-Being fully aware of this, Mrs. Pinkham, early in her career, gave exhaustive study to the subject, and in producing her great remedy for woman's fills — Lydia E. Pinkham's Vegetable Compound — was careful to see that it contained the correct combination of herbs which was sure to control that fatal disease, woman's kidney troubles. The Vegetable Compound acts in harmony with the laws that govern the entire female system, and while there are many so called remedies for kidney troubles, Lydia E. Pinkham's Vegetable Compound is the only one especially prepared for women.

The following letters will show how marvellously successful it is:

Aug. 6, 1899.

"Dear Mrs. Pinkham:—I am failing very fast,—since January have lost thirty-five or forty pounds. I have a yellow, muddy complexion, feel tired, and have bearing down pains. Menses have not appeared for three months; sometimes I am troubled with a white discharge, and I also have kidney and bladder trouble. I also had a pain when standing or walking, and sometimes there seemed to be balls of fire in front of me, so that I could not see for about twenty minutes. Felt as tired in the morning when I got up as if I had had no sleep for two weeks. Had fainting spells, was down-hearted, and would cry."—Mrs. Bertha Ofer, Second and Clayton Sts., Chester Pa.

"Dear Mrs. Pinkham:—I cannot find language to express the terrible suffering I have had to endure. I had female trouble.

Sept. 10, 1899.

"DEAR MRS. PINKHAM:—I have used Lydia E. Pinkham's Vegetable Compound according to directions, and can say I have not felt so well and can say I have not felt so well for years as I do at present. Before taking your medicine a more miserable person you never saw. I could not eat or sleep, and did not care to talk with any one. I did not enjoy life at all. Now, I feel so well I cannot be grateful enough for what you have done for me. You are surely a woman's friend. Thanking you a thousand times, I remain,

I tried several doctors, also quite a number of patent medicines, and had despaired of ever getting well. At last I concluded to try Lydia E. Pinkham's Vegetable Compound, and now, thanks to your medicine, I am a well woman. I can not praise your medicine too highly for I know it will do all, and even more, than it is recommended to do MISS EDNA FREDERICK,
