Lacrosse.

We think the best stick for lacrosse players is our Lally Special. You can get this stick from us in "rights" or "lefts" in our sporting goods department. It is strung with clockcord, and we sell it for $2.25. We offer another Lally Stick strung with gut for $1.50. If you can come in, we're glad to see you, but we'll also fill mail orders, and give club discounts to club members.

Golf Balls.

We have the O. K. Silvertown Golf Balls as a special bargain at 25c each or $3.00 a dozen. The "O. K." pattern of these balls is the "new" marking—a return to a modified form of the popular early marking. For those who want an entirely new style ball, we have a special bramble-marked ball designed by Harry Vardon. It is Vardon's opinion that this ball has greater flying qualities than any design heretofore used on golf balls. This ball is called the "Vardon Flyer," and we sell it as a special at 25c each, $3.00 a dozen.

A New Bait Pail.

We are carrying in our fishing stock a new design of bait pail with an automatic aerating device in the handle, guaranteed to keep bait alive longer than any other type of bait pail. We have other less expensive pails, all English make, and of zinc, which our salesmen will be pleased to exhibit to callers. This stock is new, and worth looking over, including creels, landing nets, lines.

The Torrey Strop.

As a portion of our stock—we are carrying a few very high-grade razors for gentlemen, and the Torrey Strops. There is probably no better strop on the market than this Torrey Strop for keeping a razor in perfect order. It is absolutely without flaws to turn the edge of the razor.

Something Golf-y.

While we have had a large stock of golf lines—as befits the only exclusive sporting goods store in Toronto—and can offer Vardon, Crescent, Spalding and Morristown clubs, at attractive prices, we want to call attention to something new in golf clubs.

These are our Brassy Bulgers and Brassy Drivers in lefts, for left-handed men. These will give the left-handed golfer a much better chance to get near the "scratch man" of the club.

Steel Drivers.

We are showing exclusively in Toronto, for golfers, the Spalding steel-faced Drivers and Brassy. These are of the regulation socket pattern which transmit all the spring of the handles, to the ball, and give distance to the stroke. It will please us to show them to golf enthusiasts.

Our Canoes.

Our canoes may be had in basswood in either natural varnished or painted finish. They are Gordon Peterborough Canoes, with flush bottom. They are strengthened with close ribs.

Hammocks.

We can show a great many hammocks at from $1.00 to $4.00, according to the taste of the buyer. The higher priced hammocks are fitted with galvanized rings for quick, easy detachment from supports. Let us show them to you.

Exercisers.

A good bedroom exerciser hardens up the muscle for summer sports most wonderfully. We offer a dozen styles of the Whitely in cotton or silk elastic cord, with fittings, for from 75c to $4.00.

Paddles.

All our Paddles are specially selected for shape, weight, spring and blade. We can offer beautiful Peterborough paddles in birch or maple at $1.50 to canoeists.

Baseball Balls.

We carry a full line of Spalding baseball balls—all kinds of Spalding baseball goods, in fact—from 5c up to $1.25 for the Spalding Official Balls. Anything you want can be sent by mail in these Spalding balls, of which we will send catalogue on request.

Baseball Bats.

We offer the Spalding League Junior Boy's Bat for only 25c, but we also have baseball bats as low as 5c, and as high as $1.

The best bat we offer for the money is our American Tire Co. Special Bat for 50c, worth 75c easily.

Whatever you want, we have. Prices won't hinder you from buying here. Come and see us.

FAST TRACK AT WOODBINE

Favorites Win Three of the Six Events on the O. J. C.'s Fifth Day's Card.

ORONTAS BEAT HANDICAPPER.

Martimas Started at 1 to 6 and Won the First Race—Good Program for To-Day.

Three favorites were beaten at Woodbine Park yesterday, but they all finished inside the money, Martmas, Illowaho and J. H. Sloan were the first choices to land, the other races going to Kaslo, 5 to 1; Orontas, 4 to 1, and Scorpio, 7 to 2.

The track was fast, and tho no records were broken, the best average time of the meeting was made. The public was surprised at the defeat of Handicapper, at odds-on, in the fourth race, while the talent got in line on Orontas. The day was gloomy, and the biggest throng frequented the far eastern enclosure, where the men on blocks do business.

The horses were generally well together. Few started unbacked in any race, and tho favorites won half the card, the bookss quit a big winner on the day.

The first race was a romp for Martmas, the place being just as seasy for Queen Carnival. The short odds kept players off the winner Queen Carnival landed some place msoney.

Illowaho and Effrontery battled together the middle distance in the second race, just as their backers had stsruggled in the ring, the result being the same in each place. Laracor raced up the stretch for the place, the Seagram entry tiring, while Pilaster closed fast for the show.

Kaslo and Euclaire made a great finish fors the Ontario Purse, the former winning in the last sixteenth. The Dyment pair started favorite, Bellcourt getting inside the money, otherswise they were not dangerous. Stable money was on Kaslo and Euclaire two ways.

The fourth was a race between Orontas and Handicapper, and was all over entering the stretch. Flag of Truce was third, lengths behisnsd the other two. Form players won on the race. There was not much play on Handicsapper.

Scorpio sprung a surprise in the fifth, taking the lead at the eighth pole, and winning handily. Pharoah had stable support, and was a good second. Flying Bess was the last to get going, and had to come round a bunch for third.

They finished inside the money in the last race just as they were backed, and outside Spurs was well supported. It wass a great finish between Sloan, The Prince and Tenario, Martin's mount being only another length away.

The stewards had Lorne Thompson up on the stand after his ride on Flying Bess to find out what happened when the mare pulled up. It appears Bess got in a bunch, and if Thompson had not slowed up she would have been knocked down.

Mr. Alexander's bay colt Mercenary was destroyed yesterday at the Boulton-avenue stables. The colt was suffering from lockjaw.

Mr. Kittleman was not allowed to start Cormorant at the Woodbine yesterday, owing to his being analleged bad actor at the post.

Mr. R. Davies' filly, Parisian Lady, has been sent back to the farm, and will not start at this meesting.

THE BOUT ON SATURDAY NIGHT.

If careful training counts for anything, Jim Galvin should be returned the winner over Al. Weinig next Saturday night in the Mutual-street Rink. The good-natured Irishman, along with his manager, Matty Matthews, attended the races on Monday, and that will end his recreation for the week. Yesterday he punched the ball, boxed with Matthews and ran on the road, doing in all a good day's work of eight hours. Galvin is only 21 years of age, and his fistic encounters so far show hi mto be of sterling quality. Matthews is willing to back his protege for the long end, and there will be considerable speculation when Weinig and his friends arrive from Buffalo.

Weinig will be here to-day or to-morrow. Of his work The Buffalo Curier of yesterday said: "Weinig intends to be the victory in the contest. He is not taking any chances with the Irishman. He is training every minute, and will be in fine fettie. He is now in excellent shape and health."

Of Galvin The Courier says that he is fast on his feet, skilful with his hands and he uses his head when fighting.

Pat Kilty and Jimmy Smith have been matched for the main preliminary, which will this time be eight rounds at catchweights.

The curtain-raiser is a genuine championship affair, for which the Crescent A.C. is putting up a handsome gold medal. The amateur 105-pound championship will be boxed over again, when Babe Thomas, the winner of the Argonauts' championship medal, and Charlie Godwin, the runner-up in the class, clash in a five-round bout. Thomas, who is a brother of Jimmy Thomas, who beat Willie Popp last Friday night, won from Godwin after a hard battle in the championship, and the second meeting of the pair should be a corqer.

PARADER IN GOOD FORM

Won the Preakness Stakes at Odds-On at Gravesend—Other Favorites Land.

A GOOD CARD AT ST. LOUIS.

Favorites and Second Choices Finish in Front—Racing Results at Hawthorne.

New York, May 28.—Three favorites were successful at the Gravesend track to-day. The Parader showed his class again in the Preakness Stakes. He was an odds-on favorite, and won cleverly at the end, altho he had to be driven a little at the last furlong. Dr. Barlow made the running for five furlongs, with Sadie S. second and Outlander, an added starter, third, the favorite trailing. Rounding the far turn, Sadie S. took the lead and showed the way into the stretch by two lengtns. Landry called on The Parader when straightened out for home, and, catching Sadie S. at the furlong pole, came on and won cleverly by a length. Sadie S. whipped out, took the place by a head from Dr. Barlow. Outlander stopped badly in the run home. There was a big upset in the Clover Stakes, which was the other fixture. Lociliine was a hot favorite at 1 to 2, but was beaten at the end by Disadvantage, a 20-to-1 shot, running for the first time. Cornwall and Montreal.

Cornwall, May 28.—The Cornwall Lacrosse Club will run an excursion to Montreal on Saturday next, when the Cornwall team will play their first championship match with the M.A.A.A. aggregation. The excursion will cover all stations from Cardinal to Lancaster, and, as the rate is low, $1.90 return from Cornwall, it is expected that a very large crowd will accompany the team. The Cornwall team will make a great effort to get in shape this week. About half the team are now in fair condition, but there are several players who are far from being in shape for a large field like the M.A.A.A. The personnel of the team will not be known till Wednesday night.

Pay When Cured

Any honest man who suffers from Nervous Debility, Rheumatism, Lame Back, etc., can be cured by Dr. McLaughlin's Electric Belt and

PAY WHEN CURED.

I want every man who needs my belt to give it a fair trial, so I offer it on this fair and square proposition:—Satisfy me that you are in earnest, that you need my treatment, and are able and willing to pay for it, and you need not pay until you are cured.

WHY DO I DO THIS?

Simply because I have been in this business twenty years, have made a success of it, have cured fifty thousand people with electricity and know what it will do and how to apply it. It's a plain business proposition with me. I have the goods and know that they will do what I say in nine cases out of ten. I take the chances on all cases, and the one I lose on doesn't hurt me, as my business is increased a hundred per cent. by thus protecting my patients against possible failure.

DON'T BUY ANY MAN'S GOODS UNLESS HE WILL GUARANTEE THEM.

When you put your money into an Electric Belt you want to know what assurance you have that it will cure you. If the belt and the man selling it to you are right they can protect you as I do. I ask no man to pay me unless I cure him, and you should insist on the same terms from any other man who agrees to cure you, whether he sells you drugs or electricity.

FREE BOOK! I have a beautiful book telling all about my treatment, and I will send it sealed free upon request. Consultation free.

ANOTHER WIN FOR TORONTO

Montreal Beaten in Closing Game of Series and To-Day the Teams Make a Move.

STRATEGIC WORK BY LOUIS BRUCE.

Other Eastern League Games Postponed, Rain—Toronto at Buffalo To-Day.

The game at Baseball Park was the only struggle of the day in the Eastern League, and it gave Toronto the record of playing more games than any other team in the circuit—26—with Rochester one behind. Montreal was beaten, owing to Bruce's strategy on the slab, and the ex-Islanders' start their trip to-day comfortably percentaged. The record:

Clubs.	Won.	Lost.	Pct.
Rochester	16	9	.640
Providence	13	8	.619
Toronto	15	11	.576
Syracuse	11	12	.478
Worcester	10	11	.476
Buffalo	10	14	.417
Montreal	9	14	.391
Hartford	8	13	.364

Games to-day: Toronto at Buffalo; Montreal at Rochester; Syracuse at Worcester; Hartford at Providence.

Toronto 4, Montreal 2.

Two out of three was the Torontos' record in their series with Montreal, the home team winning the last game yesterday by superior work at the bat and in the field. Bruce, the favorite of both stand and bleachers, pitched his first game this season, and proved himself a winner on the slab as well as in the field. He was in great form yesterday, and allowed the visitors but four hits, while only five men reached first base, which is a record for Toronto this season. He was well supported, the fielding of the Torontos being perfect, and, consequently, their first errorless game of the year was played. Montreal was after yesterday's game, for Felix was put in again to try to get even for his defeat on Saturday, but once more the star pitcher was unequal to the task. Dooley tried to help him out by lifting the ball over the fence for a home run, and, tho he did not succeed in winning the game, he no doubt derived some satisfaction by getting back at Toronto for his strike-out on Monday.

For the first four innings no scoring was done by either side. Montreal made only one hit, and up to the fourth did not get past first base. In the fourth Odwell drew a base on balls, and went to third on a sacrifice and a long fly to centre field, but he got no farther. In the latter half of this innings Toronto nearly scored, Toft all but making the circuit on his two-bagger and Madison's fly to centre field, but Johnson's good throw to home base put Toft out at the plate.

In the fifth Dooley started the scoring by making his homer, as Delehanty had done on Monday. Johnson was next up, and hit safely. He stole second, but stayed there, as Quinlan fanned and Felix and Sheehan were thrown out at first. Toronto doubled this score in their half. Schaub singled, Bemis bunted and beat it out, and Bruce sacrificed, advancing the two men a base. Bannon hit up a high one, which Dooley caught, but Brown knocked out a splendid one for two bases, and Schaub and Bemis came in.

Toronto got two men on bases in the sixth. Hargrove singled, Madison hit out a short one, but the throw to second was muffed. However, a moment after, Hargrove was caught napping and was put out by Sheehan, who threw to second in time to stop Madison, who tried to steal second on the play.

Montreal tied the score in the eighth on Raub's double and Johnson's long fly to Bannon. Toronto in their half added two more and won the game. Schaub drew a pass, but was forced out at second by Bemis. Bannon singled, Brown drew a base and Bonner hit out one over second, bringing in Bemis and Bannon. Score:

Erne Arrives in Buffalo.

Buffalo, May 28.—Frank Erne, who holds the world's championship of his class, arrived home to-day. Erne has just concluded a few months' sojourn in San Francisco, where he has spent his time playing the races and waiting to see if Sam Harris, manager of Terry McGovern, would give him a second chance with the Brooklyn lad, by whom he was defeated at Madison-square Garden, New York, July 16, 1900, in three rounds.

On that occasion Erne fought under a heavy handicap, having to sacrifice weight to McGovern, and agree to stop him in 10 rounds, or forfeit the decision. Since then Erne has repeatedly endeavored to draw McGovern into a match at the legitimate lightweight limit, but without avail. The Buffalonian claims that he was too weak to do himself justice when he met McGovern, but that he could make a far better showing with Terry at 133 pounds, ringside.

"And one thing I wish to lay emphasis on is this: I am still lightweight champion, and if McGovern won't fight me at the proper lightweight limit, 133 pounds, ring-side, I will defend the title against all-comers. If the Brooklyn lad can defeat me at that weight, well and good; I shan't grudge him the honor. But until he beats me at the 133-pound mark I claim to be still kingpin of my class."

Erne appeared to be in good condition, and said that he weighed 142 pounds, stripped.

Sporting Notes.

The race for the Prix de Diane (the French Oaks) was run at Chantilly on Monday, and was won by M. Abeille's La Camargo. M. Balli's Indian Shore was second and Mr. Vanderbilt's Dido third.

Danny Dougherty of Philadelphia, Terry McGovern's sparring partner, has been matched to meet Kid McFadden in San Francisco on the same night that Terry meets Herrera. The bout is for 10 rounds.

After the fourth race at Gravesend on Monday, Himself, the winner, was run up to $2500 by A. L. Aste. Then the owner, Newton Bennington, bid an extra $5, but W. C. Daly stepped in and secured the colt for $2510.

Jack Binks does not think much of Toronto's chances for the N.A.L.U. championship. He is of the opinion that the Capitals will swamp their aspirations to the honors here on Aug. 24, if they are not out of the running by that date.—Ottawa Citizen.

All interested in cricket will be pleased to see W. R. Marshall behind the wickets for the Hamilton Club. Mr. Marshall is the cut of a wicket-keeper, and the position is one which requires a man who will stick to it. "Billy" will undertake it for this season.—Hamilton Times.

Frank Gatins' third base playing and all-around work improve with every game. He displays a get-there spirit at the bat and on the bases, and is surer than ever on grounders and foul flies. He was frequently applauded yesterday, and promises to make himself popular.—Brooklyn Eagle.

One of the most gratifying facts to the Capital Lacrosse Executive concerning the Toronto match was that the new men tried in senior company gave such promising indications. It is thought at Ottawa that a little more caution on the part of the defence would have secured a victory for the Capitals.

After considerable challenging, Art. Simms, the lightweight of Akron, O., who lately returned from England, has secured a match. Simms is to fight Jack Hamilton of Troy, 20 rounds, at Akron, on June 7. They are to meet at 130 pounds. Simms also expects to induce Martin Flaherty of Lowell to give him a battle.

Dave Sullivan, who is practically matched to fight Terry McGovern, and who is held responsible for the stopping of boxing in Louisville, thru his conduct in the Creedon-Hart fight, arrived in Buffalo Monday night. Sullivan is on his way home to Sheepshead Bay, with his protege, Freckles O'Brien, who last Friday night whipped Kid Hennessey in Louisville.
