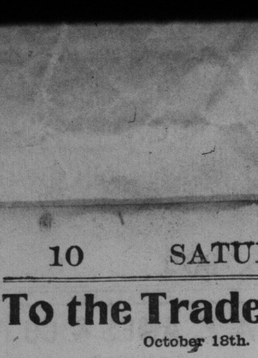
THE LATE PATRICK McBRINE.

The late Patrick McBrine, who for over thirty years was messenger of the Bank of Montreal, died at his residence, 73 Isabella-street on the 13th inst. Mr. McBrine, who was well-known to almost every citizen of Toronto, was born in Ireland in the year 1820, and came to Toronto in 1838. He was, therefore, a citizen of Toronto for 60 years. He joined the Dragoons, commanded by the late Capt Magrath, when they were sent to Kingston, the



then seat of government, and was orderly to His Excellency Governor-General Lord Sydenham. For many years he lived on Maitland-street, Toronto, which was then called "Wood's Bush." On his leaving the Dragoons late Postmaster Frere of Montreal secured for him the appointment as messenger in the Bank of Montreal, which position he held for over thirty years, retiring in 1878 on a pension. It was said of Mr. McBrine that during his thirty years' service as messenger of the bank he had never been known to make a single error that resulted in loss to the institution. He was a faithful, upright servant, who commanded the respect not only of his superiors in the bank, but of the mercantile community with whom he had daily transactions. The deceased leaves three sons and two daughters, the eldest son having been in the Bank of Toronto for over twenty years.

SNUG AND STYLISH

A Caperine besides adding finish to a costume adds a good deal of comfort also. This year especially there are many designs which are ample in their proportions. We have specially imported those new styles being worn at present in Paris and have manufactured many along their lines which, of course, by reason of our national fur resources, can be bought at half the price they could in other countries.

We buy all our fur direct and it is specially assorted by fur experts and manufactured into garments in our workrooms.

CAPERINES $10 TO $75

In all popular fur and fur combinations.

Chicago Gossip.

J. G. Beaty, 21 Melinda-street, received the following from McIntyre & Marshall this evening:

Wheat market at one time to-day gave promise of a big advance, but heavy liquidation on part of long holders caused a reaction, and, while some of the grain was lost, the market still retained its firm undertone and closed firm. Interest in corn detracted some from wheat, but on the whole the market was an active one, without side interest, gradually increasing, and sentiment generally bullish, in spite of bearish tenor of news.

Corn—There was a sensational advance in December corn, and a reaction, but, with another recovery, market closed strong, and with 1⅜c recovery.

Oats ruled strong and higher, influenced by strength in corn.

Provisions showed better tone, in sympathy with corn, and there was a fair demand; no selling pressure in evidence.

New York Grain and Produce.

New York, Oct. 17.—Flour—Receipts, 22,584; sales, 5000. Flour was well sustained thruout, and had a fair demand. Buckwheat flour dull, $2.40 to $2.50, spot and to arrive. Rye flour steady.

Wheat—Receipts, 123,275; sales, 1,375,000. Wheat opened easy on cables, but recovered and was firm all the morning on pronounced strength in corn. Dec. 77¼c to 77¾c, May 77 7-16c to 78 1-16c. Rye—Quiet.

Corn—Receipts, 16,700; sales, 275,000. Controlled by prominent bull interests in Chicago, corn had another big advance this morning and heavy speculative trade. Dec. 57¼c to 58c, May 48½c to 48 15-16c.

Oats—Receipts, 82,000; fairly active, and firmed with corn. Sugar—Raw firm; centrifugal, 96 test, 3 9-16c; refined steady.

Lead—Quiet. Coffee—Quiet. Wool—Steady. Hops—Firm.

LOCAL LIVE STOCK.

Receipts of live stock amounted to 71 carloads, composed of 750 cattle, 3000 hogs, 1100 sheep and lambs, with 40 calves.

The bulk of fat cattle offered were only of medium quality. Too many rough, unfinished, that are not wanted, are being offered.

Trade was fair, considering the number of common to medium cattle offered.

The market all round was a repetition of Thursday, with no improvement in prices for fat cattle.

Well-bred feeders and stockers were in fair demand, but common to inferior classes were slow of sale.

The decline in prices for shipping cattle is affecting the market for feeders, farmers seemingly, not being as anxious to buy as they were some time ago. They, at least, are not willing to pay as high prices for the same weights.

Ten milch cows sold at $30 to $50 each, with one choice cow at $54.

Prices for calves held firm, deliveries being limited.

Sheep sold at the same quotations, but lambs were firmer.

The run of hogs was large; 2000 being disposed of on the market, besides what went direct to the packing houses, which was no small number. And, altho the market opened at the same quotations as on Thursday, it closed 12½c per cwt. lower, at $6.12½ for selects and $6.87½ for lights and fats.

Booksellers and Stationers.

The book sellers and stationers of Ontario held their annual meeting in the Retail Merchants' Board Room on Friday, with W. Tyrrell in the chair. A resoluttion was passed that the Dominion government be asked to appoint a commission composed of authors, publishers, wholesale and retail booksellers, to report on the condition of the present Canadian copyright law. The question of adopting some uniform system of selling school books was considered. At present some of the publishers sell books to teachers, who practically act as selling agents, and they supply the books to pupils at a profit that is sometimes larger than the retailer gets. Steps will be taken with a view to putting a stop to this.

CONSUMPTION CURED.

An old physician, retired from practice, had placed in his hands by an East Indian missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all Throat and Lung Affections; also a positive and radical cure for Nervous Debility and all Nervous Complaints. Having tested its wonderful curative powers in thousands of cases, and desiring to relieve human suffering, I will send free of charge to all who wish it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail, by addressing, with stamp, naming this paper, W. A. Noyes, 847 Powers' Block, Rochester, N.Y.
