Are You Thirsty?
Physicians say we should drink a
great deal of water. If we would
keep our systems in a healthy, nor-

Don't you enjoy even a drink of
water better, if it is attractively
served in a tumbler of
Sparkling Cut Glass?
If you have a wedding present or
a gift of any kind to buy, we do not
think that you could select any-
thing that would be more acceptable
than some of the useful and beau-
tiful pieces of cut glass we are dis-
playing. Our selection is very
large.

Ward 2
E. A. Pocock
As Alderman
A life-long citizen and a tax-
payer, standing firmly on the
principle of the referendum, and
the supreme civil rights of the
people.
Disgusted with the insincere
promises, plans and policies of
a little clique of self-styled big
men, who strongly fear the loss
of the reins of power. Why?
Men who dare not face their
opponents or the electors on a
public platform, but hide behind
a cowardly publicity campaign of
slander and falsehood. Why?
Men who threaten and intimi-
date other businessmen who
dare to think for themselves,
or oppose their unscrupulous
methods. Why?
VOTE STRAIGHT THE LABOR

SHOW YOU "WHY!"
