## Four Favorites Win at Woodbine Also Second and Third Choices

Dareington in First Race is the Long Shot to Land-Arondack Runs Disappointingly in Feature Race.

The feature event of the afternoon was the race for the King Edward Gold Cup, which was won by the top weight Hanbridge, third choice in the betting. There were several mix-ups in the betting ring as the layers of odds were several may be all afterneon by kept on the move all afternoon by Ring Master Mahoney. Juggler has run a couple of bad races at this meeting, but was aff in front yesterday and was never in trouble as he passed under the wire a winner by two lengths, going away. Elikott was well in hand at the first post, but let the winner get too far away from him to make up the lost ground in the stretch run. Siskin, who was the hot thing again yesterday, ran an improved race.

Pagan Bey and Byzantime fought it out for third money. Marksman ran a first-class race and was well up all the way to the finish where she seemed to tire.

The sixth race for maidens had as many good things as starters in it. Croydon looked the best after the races he had run here and went to the post the first choice. There was a rush for King Holladay, and had he been ridden in a different manner he might have at least been in the money, Croydon was rushed to the front at the start. Deverich never let up riding un-til the wire was reached.
