London Chronicle Comments on Letter of Glass, Refusing Further Loans.

OTHER PRESS COMMENT

London, Feb. 1.—London newspapers feature the letter of Secretary Glass of the United States treasury to the committee of the chamber of commerce of the United States, declaring against further loans to European countries. While most of the papers

The Daily News thinks the reluctance of the United States to partici-

pate in an international conference on the financial question is a matter of grave regret. The Express suggests that the European nations get together and devise some means to do without Am-

rican imports.

The Times thinks that while the American policy may seem callous to the old world that ruined itself to vindicate principles Americans hold dear, it would be fulle to expect the Americans to shoulder Europe's from Americans to shoulder Europe's finan-

cial burdens, The Mail says that financiers and the British treasury believe the Glass letter largely attributable to "the ill-advised activities of Sir George Paish, whose mission was in no wise con nected with the British government."
