FOR DRIVING WHILE DRUNK.
Robert Crawford, provincial traffic constable, reported last night that last evening at 8:30 o'clock he arrested a resident of St. John for being drunk while operating an automobile in the Hampton road. He said that he received a telephone message from Model Barn saying that a car with four drunken men was coming toward the city. He intercepted them and placed the driver under arrest. The occupants of the car are to be reported for being drunk and disorderly. The case, Mr. Crawford said, will come up before Magistrate Parlee in Hampton next Wednesday.

ST. DAVID'S W. M. S.
The W. M. S. of St. David's church at its regular meeting yesterday afternoon commenced the new study book, "The Island Beautiful," which deals with Formosa. Mrs. R. C. Johnston, the president, was in the chair and the devotions were led by Mrs. A. R. Melrose and Mrs. Charles Bailey. The first two chapters of the study book were taken up and their exposition was led by Mrs. Hugh Miller and Mrs. Johnston. The first chapter was on map study and the second chapter was in the form of a questionnaire.

The Daughters of Israel met last night for the first time this season and look up the work of the society with renewed enthusiasm. Mrs. L. N. Har-

Mennen's absorbs dangerous moistures

Specialists, doctors, and nurses attribute many skin disorders to minute quantities of urine or perspiration or water held in contact with the skin.
Moisture, Friction and Infection are three dangerous foes to your baby's health and comfort.

For half a century the Mennen laboratories have studied those foes of skin health and year after year perfected methods of combating them. Today Mennen Borated Talcum contains a three-fold protection for your baby's skin tissues.

Elasticity spells comfort in underwear

Watson's "Spring Needle Rib" makes an ideal fabric for under garments—a fabric that stretches to every movement yet springs back to its original shape.
A Watson garment stands the strain, wears longer and no amount of washing can destroy its elasticity.
Watson's Underwear is carefully tailored with flat seams that ensure freedom from irritation and combine with the resiliency of the fabric to make the most comfortable garment possible.
Ask and look for the Gold Label. All "Spring Needle Rib" garments have it.
Watson's give you a choice of all popular styles, fabrics and materials for men, women and children—and they wear.

Pliers for Awkward Jobs

THE owner of a pair of Kraeuter Pliers grins when the lady of the house gives him an awkward job to do. He knows that their sharp teeth will grip and hang on with bulldog tenacity, and that they won't slip when he puts his muscle behind them.
There is a special Kraeuter plier for every sort of work that a plier can do—pliers for the mechanic in every line—pliers for the tool-loving man and the tinkering boy—light little pliers that a woman can use when she gets tired of waiting for some procrastinating man, who puts things off till tomorrow. Test them wherever good tools are sold.
