

THE EVENING TIMES AND STAR, ST. JOHN N. B., THURSDAY, MARCH 21, 1912

## Morning! That's hurry-up time.

Husband must get to business—the children to school. And every few minutes comes the anxious query:

"Isn't breakfast ready yet?"

Why not ease up your morning hurly-burly?

Give your folks the easy breakfast—the quick breakfast—the good breakfast—Tillson's Rolled Oats.

Simply pour some Tillson's into the double boiler—that's easy.

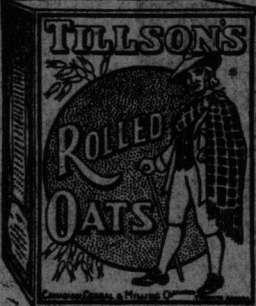

Let it cook for only 15 minutes—that's quick.

And you have perfect porridge with the natural flavor and aroma of the oats—that's good!

Tillson's Rolled Oats make a breakfast dish fit for a king.

### Cream of Tomato Soup

Add one-half cup of Tillson's Rolled Oats to two cups of tomato pulp and water. Simmer for five minutes. Press through sieve, add one-half cup of cream, salt and pepper to taste. Boil three minutes. Add thickened tomato to this, season and serve. This is a most delicious soup, and it is easy to make. It is not to be confused with the thickening material known as the "Tillson's" brand.

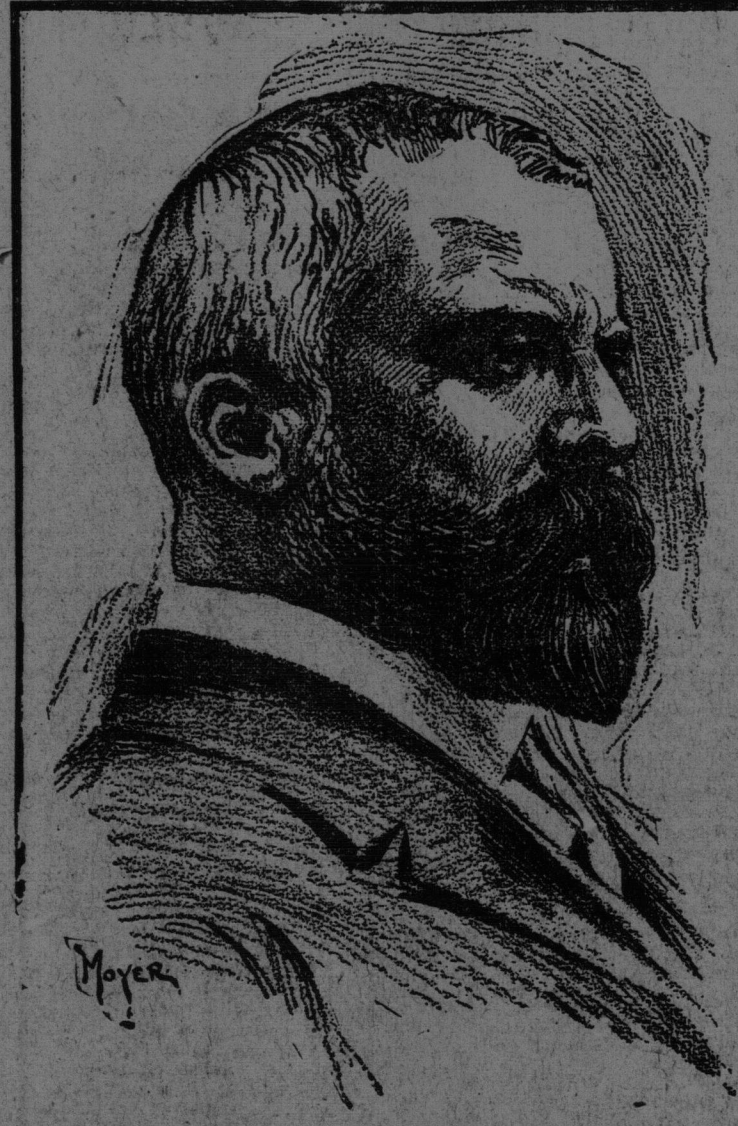

## Tillson's Oats

Your grocer has Tillson's. Two sizes—10c and 25c. Each 25c package contains a handsome piece of English Porcelain Tableware.

## BOURASSA TALKS AT HIBERNIAN BANQUET

HENRI BOURASSA

To a highly-enthusiastic audience of 8,000 people, most of them Irish or of Irish descent, in Massey Hall, Toronto, on the occasion of the annual St. Patrick's Day concert given by the Ancient Order of Hibernians, Henri Bourassa, the eminent Nationalist of Quebec, who was ushered to the platform to the tune of "La Marseillaise," the French National Anthem, delivered a stirring address of one and one-half hours' duration, in which he made an impassioned defence of the French-Canadian people, separate schools and bilingualism.

He mildly derided Ontario for its "provincialism," scolded certain Toronto newspapers for their attacks on him and the bilingual schools conditions as revealed in Doctor Merchant's report, and warned his hearers against the Americanization of Canada. There was the skilled gesture of the orator, and the nicely-timed and minutely bland smile. Many of the French orator's statements were greeted with loud and prolonged applause. Mr. Bourassa was on the programme to deliver an oration, and his oration was on the subject of "Canada."

### CHEERY OPPOSITION REPORTS BY HON. C. H. LABILLOIS

C. H. LaBillois, M. P. P., of Dalhousie, arrived in the city last evening and will proceed to Fredericton this morning to resume his legislative duties. Mr. LaBillois, speaking generally of the North Shore, last evening, said there was a strong feeling of dissatisfaction with the provincial government and that the opposition forces are united and confident.

### IN PARLIAMENT

Ottawa, March 21.—In the senate yesterday Doctor J. W. Daniel of St. John was introduced and took his seat. The matter of separate schools in Manitoba was before the house.

In the commons Hon. Mr. Emmerson called upon Hon. Mr. Cochrane for a statement of policy in regard to the I. C. H. He was told that the question of running rights had not been considered and that the C. P. R. was the only corporation which had applied for such rights between St. John and Halifax.

**How's This?**  
We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure.  
P. J. CHENEY & CO., Toledo, O.  
We the undersigned have known F. J. Cheney for the last fifteen years, and believe him perfectly honorable in all business transactions and financially able to carry out any obligations made by him.

Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system. Testimonials sent free. Price 75 cents per bottle. Sold by all Druggists.  
Take Hall's Family Pills for constipation.

## Health and Beauty Helps

BY MRS. MAE MARTIN

**Louise:** Face powder is very bad to use. It looks bad and leaves bad results. The woman who uses face powder eventually finds it clogs the pores in her face, causing wrinkles and other skin marks. Leave it alone if you will be beautiful. Dissolve 4 ounces of sorum in 1-2 pint (which has) (or hot water), then add 2 teaspoonsful of glycerine. This is the finest, skin-whitener and beautifier imaginable, and for removing that shiny, oily or yellow look is unequalled. I find it extremely good for removing and preventing freckles, skin pimples and chapping in the wind. It does not clog or rub off like powder and gives the skin a tone of such velvety softness.

**Miss Esmer:** Even though your hair is thin, dull, straggly, split and broken through improper shampooing, you can fluff it up and make it appear abundant and be easy to arrange by shampooing with a teaspoonful of castor-oil dissolved in a cup of hot water. Rinse in clear water and the hair will grow quickly and be ever so soft and nice. The alkali in soap and most prepared shampoos ruins the hair by making it straggly, dull and brittle. Nothing is so cleansing as castor-oil. When used for shampooing it removes all dandruff, irritation and gives the hair that soft, glossy, silken sheen every woman so much desires.

**Mrs. W. J. J.:** During the winter months anyone's blood is likely to become thick and sluggish, causing a sallow, pimply complexion and loss of energy, such as you speak of. What you need is a good system-tonic and blood-purifier. Try this one: Dissolve one ounce karsine in 2 pint alcohol, adding 1-2 cup sugar and hot water to make a quart. A tablespoonful taken before each meal will give you pure blood, a healthy, energetic body and put life and color into your face.

**Harriet:** For your tired, dull, inflamed eyes you need a good eye-tonic. Dissolve an ounce of cayenne in a pint of water. Two or three drops of this in each eye daily will strengthen your eyes and make them bright and sparkling. This tonic will not smart and has proven a great aid.

**GRAND ORANGE LODGE**  
The annual session of the Grand Lodge of the Loyal Orange Association of New Brunswick was brought to a close early this morning, after a night session. The report of the finance committee and the MacLachlan memorial committee were presented. The latter showed that the monument is ready to be placed in position as soon as the weather will permit. Adjournment was made at 11 o'clock last night long enough for the members to have supper at Wanssaker's restaurant. Resuming afterwards, the election of officers was proceeded with and resulted as follows: Grand master, Rev. B. H. Thomas, re-elected; R. W. S., D. C. M.

## Doctors Use This For Eczema

Dr. Evans, Ex-Commissioner of Health, says:—There is almost no relation between skin diseases and the blood! The skin must be cured through the skin. The germs must be washed out, and so salves have long ago been found worthless. The most advanced physicians of this country are now agreed on this, and are prescribing a wash of wintergreen, thymol and other ingredients for eczema and all other skin diseases. This compound is known as D. D. D. Prescription for Eczema.

Dr. Holmes, the well-known skin specialist writes: "I am not a doctor, but the D. D. D. Prescription is as much a specific for eczema as quinine for malaria. We have been prescribing the D. D. D. remedy for years."

We ourselves vouch for the D. D. D. Prescription for eczema and absolutely believe that it will take away the itch the instant you apply it. Of course other druggists have D. D. D. Prescription. Go to them if you cannot come to us, but don't accept some big profit substitute. But if you are suffering from any form of skin trouble we would like to have you come to our store, for we have had the agency of this remedy for so many years that we can tell you all about it. D. D. D. Prescription is how it cures eczema. Or you can get a free trial bottle by writing the D. D. D. Laboratories, 40 Colborne street, Toronto. E. Clinch-Brown, Druggist.

## DOCTORS FAILED TO HELP HER

Cured by Lydia E. Pinkham's Vegetable Compound

**Pound, Wis.:**—"I am glad to announce that I have been cured of dysmenstruation by your medicine. I had been troubled with both for fourteen years and consulted different doctors, but failed to get any relief. After using Lydia E. Pinkham's Vegetable Compound and Blood Purifier I can say I am a well woman."

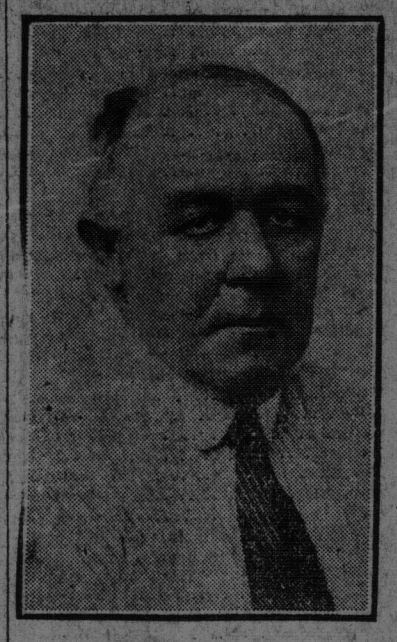

**T. H. M.:** The only safe method of quick fat reduction without dieting and violent exercising I know of is by taking before meals a tablespoonful of 4 ounces of parnis dissolved in 1-2 pint of hot water. This harmless remedy is particularly effective in cold weather and cuts down weight rapidly. I leave the skin free from wrinkles or blemishes. Try this wonderful remedy and I am sure you will be delighted.

**Julia:** A good cleansing, softening, healing, complexion cream is best prepared by stirring an ounce of almond oil and two teaspoonfuls glycerine into 1-2 pint of water. This cream is in great demand and will not grow hair or make the skin oily and shiny. Used morning and night will quickly smooth, soften and whiten your skin, correct and prevent chapping, and add a look of youthfulness that comes only from a smooth, refined complexion.

**Morning Locals**  
The fair being held by the members of Court Union Jack P. A. B. was successfully opened last night. The attendance was large. Some damage was caused by a fire in the window of Webster's jewelry store in Mill street last night. The fire was caused by a lamp, the flame coming in contact with some paper. A second case of smallpox has been discovered in the Blair street family. The new patient has been removed to the isolation hospital. The disease is of mild type. J. King, Kelley, K.C., left for Fredericton last night in connection with the county bills at the legislature. Before Justice Allingham in Fairville yesterday afternoon, W. E. Newcombe, proprietor of the Clarendon House, Torbay, was fined \$50 and costs on a charge of infringement of the liquor law. A. A. Wilson, K. C. appeared for the prosecution and C. Herbert McLean for the defendant. In the police court yesterday afternoon Milford Ferris was found guilty on the charge of improper conduct and assault on a woman, and was sent up for trial. Ada Jackson, Bradford Mason, John Jackson and James Lauchner, charged with being inmates of a bawdy house, were fined \$50 or three months in jail. Eva Harris was remanded on a like charge. Mary Downer, charged with street walking, was remanded. May Tapley charged with stealing a watch and \$5 from Henry Burchill, was sent up for trial. She was further remanded on a charge of keeping a bawdy house.

## WILLIAM HAWTREY AND HIS LONDON PLAYERS TONIGHT

Tonight at the Opera House one of the most brilliant theatrical seasons awaits the patrons of St. John when the notable English character actor William Hawtreys, will be seen, supported by his company of distinguished London players in a three-act farcical comedy, "Dear Old Billy." If the critics in the principal metropolitan cities of the country may be relied on, particularly in Chicago.

**William Hawtreys.**  
where the piece played to crowded houses for nearly four months, nothing funnier than this English farce has been seen in this country, not excepting "Dear Old Billy," the Private Secretary, all of which, by the way, are English. Dear Old Billy is a crisp, clever comedy, just teeming with laughs, full of speed and most wholesome fun. In the title role Mr. Hawtreys does the best work of his illustrious career. The company and production to be seen here will be exactly as presented in Chicago.

**"PROPERTY! PROPERTY! PROPERTY!"**  
There are those in Scotland—and elsewhere—who appreciate the value of a generous marriage portion. "Mac, I heard ye was courtin' bonny Kate Macpherson," said Donald to an acquaintance one morning. "Weel, Sandy, man, I was in love wi' the bonny lass," was Mac's reply, "but I found out she had nae siller, so I said to myself, 'Mac, be a man.' And I was a man, and noo I pass her by wi' silent contempt."—Youth's Companion.

## Feed Your Children Lots of Wholesome Bread Make it with PURITY FLOUR so it will be More Nutritious

IN the words of Woods Hutchinson, one of America's most eminent physicians, "If a child is really raising at all, it is worth feeding upon the best and most nutritious food—and plenty of it."

And the medical profession is a unit in placing good, wholesome bread among the best and most nutritious food for children. Many give it first place.

But some bread is more wholesome than others, depending upon the skill of the baker and the grade of flour used.

So be sure that the boys and girls get plenty of bread made from PURITY FLOUR.

The bread will be greater in food value, more nutritious, because it will be made of flour consisting entirely of the high-grade portions of the No. 1 Western hard wheat berries. It will contain the high-grade food elements, the high-grade gluten, phosphates and starch of the world's most vigorous wheat.

See that your children have lots of PURITY FLOUR-BREAD. It's a well-known fact among physicians that a vast number of children don't eat enough bread. A child should be encouraged to eat an abundance of bread, so as to supply fuel for energy and building material for growing bones, flesh and muscle.

**Reminder:** On account of the extra strength and extra quality of PURITY FLOUR more water must be added than ordinary flour requires for making bread. For best pastry-results more shortening is needed.

Add PURITY FLOUR to your grocery list right now.
