Black!

FASHION demands it—stern necessity compels it. Often it is required in a hurry when the family purse has been already subjected to a great strain. In a few short hours every garment in the household's various wardrobes may be safely dyed a perfect or jet black that is fast. The cost is a mere trifle and the results are sure and easy to accomplish in your own home, rivaling the work of the professional dyer.

Don't spend large sums of money on mourning; use SUNSET Black, the Real Black. It costs only 15c a cake at your Dealer's. If difficult to obtain write direct to the makers, NORTH AMERICAN DYE CORPORATION, Ltd., Dept. 67 TORONTO, CANADA, enclosing 15c for each cake required.

Reduces the cost of upkeep

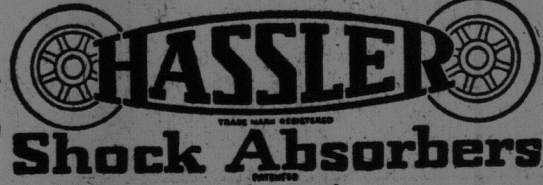

WHEN your car hits the inevitable rough bumps, Hasslers absorb the shocks of both upthrow and rebound in the necessarily high resilient action of good springs; they save you not only discomfort in riding, but the pain of paying for needlessly injured springs.

No need to tell you that the bumps, jars, jolts and vibration suffered by any good car on city streets are only too real. Busy repair shops prove it. Motor nerves prove it. You need Hasslers.

When you want to renew your car, you will enjoy enhanced re-sale value, made possible by Hasslers' saving your car!

Saved gasoline alone would pay for Hasslers, not to mention saved repairs, tires and re-sale value. You pay for Hasslers' anyway, why not have Hasslers' now! Your dealer knows these Hassler facts.
