

THE EVENING GAZETTE

When this paper was launched seven months ago, there were many people in St. John who said it could not survive a month, because it could not compete with the other evening paper, the Globe...

Important Announcement

The Publisher of the GAZETTE, has great pleasure in announcing a new and interesting story for next week, by that popular author of fiction.

RIDER HAGGARD

The story is entitled 'MAYNARD'S REVENGE'. The scene is laid in North Africa, and while the story is not long, each chapter is interesting than its predecessor.

Watch for the opening chapters on Wednesday next.

ST. JOHN, N. B., SATURDAY, FEB. 28, 1889.

THE TELEGRAPH ON THE TREATY MAKING POWER

The Telegraph, under its present management, is nothing, if not silly. Fully and fearlessly are its leading characteristics, and its opinions are usually of no value whatever.

In the few months THE GAZETTE has been in existence, many croakers already and still among us, it has made display for its readers, and in Canada, established a feeling of confidence in the paper that had almost died, because of the apathy of the friends of our country...

Besides this THE GAZETTE has placed itself on a sound commercial basis, which is evidenced by the fact that 7,408 copies were sold on the streets during the past thirty days, during the first thirty days of its publication.

The success of THE GAZETTE is to its credit, and it is the only paper in the city which has a continuous record of progress.

What is asked is not only that it should be left to her own affairs, Canada shall have the same power to make laws for herself as the United States.

What is asked is not only that it should be left to her own affairs, Canada shall have the same power to make laws for herself as the United States.

It is one thing to maintain the National Policy for the benefit of the people, and quite another thing to frame a set of customs regulations calculated to play the game with the Canadian Club of that city.

Mr. Trudel, the National member for Champlain in the Quebec Assembly, gave Mr. Meier a bad case on Wednesday, by giving notice of a resolution protesting against the ratification of the head of the Roman Catholic Church in the Vatican, and saying: "That this House desires to express its opinion that it would be a grievous act on the part of her Majesty the Queen, if she were to evince her good will by entering into a treaty with the Pope in order to obtain for the foreign papist the restoration of the ancient autonomy of St. Peter's."

It was quite like the New York Herald to publish in its London edition a sensational cablegram from Ottawa regarding Sir Richard Cartwright's treaty proposals, claiming that the motion was the first in the campaign for the severance of the British tie and the eventual absorption of the Dominion by the United States.

The Grit government of Nova Scotia does not present the Legislature with a very extensive programme of important measures for the present session.

During the past year, the fishing vessels of the State of Maine aggregated 16,900 tons, a considerable decrease from 1887.

A highly sensational murder occurred in the corner of Queen and Church streets Norfolk Va. the other day.

At a recent talk on "Wid and Honor in the Press," given before the Literary Club of Orange N. J., H. C. Hunter, editor of the "Daily News," related an anecdote of which William Water House was the subject.

THE RECORD OF SEVEN MONTHS

This GAZETTE is seven months old to-day. When this paper was launched seven months ago, there were many people in St. John who said it could not survive a month, because it could not compete with the other evening paper, the Globe...

Try Ayer's Pills

For Biliousness, Nervousness, and Constipation. Lanning, of Yorkville, N. Y., says: "I have used Ayer's Pills for chronic Constipation, and they have relieved me from that trouble and also from Gout. If every victim of this disease would use only three or four pills of mine, I could furnish them from the land. These pills are sold by all druggists."

Rheumatism

No medicine could have served me in better stead. I have used Ayer's Pills for six years, and I have never seen the like of them in the world. My legs are now free from pain and I can walk as well as ever. Since using Ayer's Pills, I have been free from these complaints."
