GLOBE AND CHECK VALVES. Cotton Waste, Etc. Etc

BY REBECCA HARDING DAVIS. CHAPTER I.

Col. Marshall did not dismount, but paced his old nag impatiently up and down on the grass, over which the dew was still glittering. The morning was not yet fairly awake: the fogs lay in gray opaque rivers in the valleys below; To apply the poetic words "a medicine that's able to breathe into a stone" to B. B. B. savors of exaggeration, but considering its countless cures and wonderful work even exaggeration seems justifiable if it convinces those who hesitate to use B. B. C. and be cured.

gray opaque rivers in the valleys below; but the sun shone warmly about the great stone farm house (one of the oldest in Virginia), high up on the mountain side, with its massive front, its kitchens and stables crowding confidentially into view, and the greating dentially into view, and the gigantic and comfortable nearer its hospitable warmth. A straggling line of yellow billed ducks, muddy from the barn yard, came quacking and biting at the horse's feet : here and there a grinning black face was thrust out of the win-

> notice Tom. I'd have come out legless or armless, or Presently a short, stoutly built man, if I had invested in western lands, they whose black moustache and military carriage gave him the air of a soldier, came out. "Why, Marshall, what are I don't know where the duece you find you doing there? Coffee's on the your luck," glancing out at the rolling

dows, expectant of the colonel's usual

halloo. Tom had trotted out after Se-

cundus; but the colonel did not even

"Not this morning, Jeems. I want o see you alone. Run in, Tom." "Hyah, Mas' Tom. Ye'r not to hear dat ar?" Secundus hurried up to Tom, ture, and the table bright with china to catch some droppings of the secret himself. But the colonel and Mr. answer. If you left Joe to follow his Vogdes spoke in a whisper, glancing own lead, he was sure to talk in circles, now and then anxiously down the val- and you could take high up half an ley in the direction of the coal miners' hour hence at precisely the same place
