

## PROVINCIAL NEWS.

## ALBERT CO.

Hopewell Hill, Sept. 24.—William Deane, son of John Deane of Demerits, was married on Wednesday by Rev. Chas. Campbell to Miss Beatrice Woodworth, daughter of Levi Woodworth of Chemical Road. They will reside in the States.

Silas Stiles has sold his farm here to Mr. Steeves of Hiram, and purchased Inspector R. P. Steeves place at the Hill.

Joseph B. Tingley and Miss Linda Tingley left by yesterday morning's train for Lyan, Mass., where hundreds of bushels of cranberries have been gathered this week on the Shedy marshes. The crop will have a tendency to put the prices down, though this may be counteracted by the scarcity of apples and different fruits, which should make the berries in greater demand.

The company who are operating the manganese mine at Dawson Settlement, near the town of Lyan, are considering the purchase of the mine. Some forty-five men employed through the summer, and when they get all their machinery up the firm expect to put on over a hundred. There is also a prospect of some more mining being done soon near the old works at Chemical Road. Thos. Giles, the veteran miner, visited the locality last week in the interests of an American company, and will be more prospecting at an early date.

The bark Alert, which loaded deals at Gray's Island, passed down the bay tonight, outward bound. This is the second cargo the Alert has taken from here this season.

The agricultural fair at the Hill will be held on Tuesday, Oct. 19th, not the 20th, as before mentioned.

## CHARLOTTETOWN.

St. Stephen, Sept. 23.—News was received here today of the death of Mrs. Cameron, wife of Q. Cameron of the firm of Cameron & McTavish, which occurred in an hospital in Portland, Me., where she was receiving special treatment. The deceased lady was highly esteemed in the community, and her death is heard of with profound regret.

## KENT CO.

Richibucto, Sept. 23.—William Wry, formerly in the carriage and harness business at Kingston, died last week in Portland, Me. The deceased was aged fifty-five years and had been a sufferer from consumption for some time. His remains were brought to Kingston on Saturday for interment.

Mrs. John P. Bell is ill with typhoid fever.

Richard O'Leary has sold his lobster factory and outfit, consisting of the miles north of here of Urban Point, near St. John, for sixteen hundred dollars.

Richibucto, Sept. 23.—Wm. McLean, a native of this town, died recently in the States. He had been some years ago to join the mounted police, with which he was connected at the time of his death. The deceased was aged forty years, and a brother of the late Geo. McLean, who died in the current last winter in South Africa.

## KINGS CO.

St. Stephen, Sept. 23.—After winding up and settling all accounts in connection with the Labor day celebration the men will have to deposit to their credit in the bank one hundred dollars. The gross receipts were three hundred and forty-two dollars, and the expenditures so far two hundred and thirty-seven dollars. The remainder of the celebration will be held on Thursday, the seventh of October, next, when all matters in connection with this event will be finally disposed of.

Dr. Dwyer of Newmarket, who takes Dr. McNichol's practice during the pendency of the appeal, has arrived in Sussex and established himself in Dr. McNichol's office. Dr. Dwyer graduated with high honors from McGill college, Montreal, and comes to Sussex highly recommended.

Fred L. Fairweather, barrister, is in receipt of a letter from Col. Donville, M. P., which states the colonel would sail by the City of Paris for New York on the 10th inst. From New York the colonel will go to Ottawa to spend a few days before returning to New Brunswick.

Sergeant Major William Smith and Corporal Thomas Kiffin, members of the 14th Batt. of militia, are to go to Fredericton on the 20th inst. to begin a three months course of training at the Infantry School there.

The Havlock and Penobscot exhibition will take place at Havlock on Tuesday, October 5th.

The new cutting park at Blain will be opened by a horse race next Tuesday.

## NORTHAMPTON CO.

Northampton, Sept. 23.—Stafford Holmes has purchased the

property of the late South West of the late John Holmes of Kentville. The property has been sold to Mr. J. M. Holmes of St. John, N.B., and is expected to arrive here to assume his duties about October 1st.

Corporal Wright, with the Fredericton orderly room staff, has been appointed orderly room clerk at St. John, N.B., and will immediately proceed there.

An important meeting of the local government is called for next Tuesday. Premier Mitchell is expected to attend this session and has it that the day before the session closes he will tender his resignation to Lieut. Governor McLeod. It is also expected that Thos. A. Peters will be installed as secretary for agriculture. The session will probably continue two or three days until after the sale of the recent stock importation on Thursday next.

Marysville, York Co., Sept. 24.—About two o'clock yesterday afternoon a distinguished party left here for Logville. Among them were Sir William C. Van Horne, president of the C. P. R., and Lieut. Governor Jas. Ross of Montreal, H. H. McLean of St. John, Alexander Gibson and Supt. Hoban of the C. E. railway. Sir William's private car was switched on to a special and conveyed the party on the line as far as Logville, where they spent the night, returning to Marysville this afternoon. A visit was made to the cotton mill and other places of interest, and Sir William expressed himself as much pleased with all he saw. Sir William and friends left for Montreal this afternoon.

Robinson is dangerously ill with brain fever.

A convention of the Sunday school workers of St. Mary's will be held in the Baptist church at Nashua, N.H., on Tuesday, October 1st.

Lorne Rowley has resumed his studies at Mount Allison college. Ernest Tapley has returned from a business trip to St. John. Mrs. John Rindholm is able to be out after a severe attack of typhoid fever.

George B. Smith's two sons, a parrot escape recently from being drowned. They were rescued by the clever management of W. McConkey.

As Joseph Robinson, sen., was loading grain, he fell from the edge of the bank, the hammer broke and the load and the horse were killed. The former goes down the bank.

Post-Rubens and his wife, on Thursday for Cosmoopolis, Washington state, their future home.

York Co., Sept. 24.—The 14th Battalion, Lieut. Col. Alexander, who has been in camp here the last two weeks, completed his drill today and will be disbanded tomorrow. This afternoon the battalion was reviewed by Col. Mansell, D. O. C., who complimented both officers and men upon the knowledge and skill displayed.

Quartermaster Sergt. Wilson won the bathing prize for the best record at the "range," 75 and No. 7 company. Capt. Perkins, the prize for the highest average score.

Sir William C. Van Horne, president of the C. P. R., and Lieut. Governor Jas. Ross of Montreal, returned from their tour of inspection of the Canada Eastern railway this afternoon. These gentlemen, with Alex. Gibson and Supt. Hoban of the Canada Eastern railway, have been on line in Sir William's private car. The recent rumors that the C. P. R. were negotiating for the purchase of the road lends additional interest to the visit, which no doubt, the chief object of the trip. In an interview here this afternoon, Sir William was quite non-committal, intimating that the trip to Chatham was wholly informal and quite unofficial. He had been over the Canada Eastern railway about six years ago and being on his way to Montreal, joined Messrs. McLean and Ross, who were going over that road. He expressed himself much pleased with the road and the service of the Canada Eastern since his last visit. In reply to the query, Does the C. P. R. intend purchasing the Canada Eastern? Sir William replied, "I don't quite see as saying that the Canada Eastern railway has not, nor ever had any intention of acquiring the Canada Eastern road."

He said that it was not a natural part of the C. P. R., and would never make a value of the road. He was emphatic of the opinion that the interests of the country would be best served by the road in the present hands.

The president of the Canada Eastern spoke most highly of the present management of the Canada Eastern, and of Alex. Gibson's enterprise. He said that it was a pity the country had not a few more men like Alex. Gibson.

Sir William and friends left for Montreal this afternoon in his car attached to the regular express.

Dr. Mullin, coroner, held an inquest at St. Mary's this evening upon the body of George Beatty, the man who took carbolic acid yesterday, causing his death. It appears that Beatty, who was a cripple, had lent some money he had saved for the purpose of purchasing an artificial foot, and being unable to do so, became very despondent. He grew melancholy and in a fit of the blues yesterday resorted to carbolic acid. He was about thirty-five years old and unmarried. The jury returned a verdict accordingly. Robert Beatty of Campbellton was the father of the deceased.

Sergt. Moore, orderly room clerk at the military school here, has been pro-

posed to increase his pay to start clerk to Lieut. Col. Mansell. He will be succeeded here by Sergt. Mansell No. 3 company, R. H. of Toronto, who is expected to arrive here to assume his duties about October 1st.

Corporal Wright, with the Fredericton orderly room staff, has been appointed orderly room clerk at St. John, N.B., and will immediately proceed there.

An important meeting of the local government is called for next Tuesday. Premier Mitchell is expected to attend this session and has it that the day before the session closes he will tender his resignation to Lieut. Governor McLeod. It is also expected that Thos. A. Peters will be installed as secretary for agriculture. The session will probably continue two or three days until after the sale of the recent stock importation on Thursday next.

## THE MARKETS.

Revised Every Monday for the Weekly Sun.

## COUNTRY MARKET.

There are not many changes to note. Meats and poultry, eggs and butter show no change. Potatoes show a great difference in quality, and of course a wide range in prices. Green tomatoes are higher. In apples as in potatoes there is a very wide range. Turnips are very cheap, and cranberries have dropped in price.
